MARCH 2020 Newsletter - Turlock Branch 143

BIG SIR SAYS...

From Greg Back

It has been great seeing so many attending our lunches this year. We have a great line up of speakers and our new caterer is serving us great meals. With that said, we still only have a little more than one half of our membership attending our lunches. Let's keep growing our attendance. If you are part of that "other half" please come join us for lunch, visit with your old friends and enjoy an interesting program. We would love to see you at a meeting.

Our "each one, bring one" campaign continues to be very successful. We installed 5 new members in January and had 4 guests in January and 3 in February. Of those 7 guests, 5 have actually submitted applications and joined SIR (and we are hopeful the other 2 will join this month). Please share your enjoyment of SIR and bring a friend, neighbor or that person you met at the donut shop to a meeting. If everyone brings just one guest to a meeting over the course of the year, our branch will continue to grow and thrive for many more years.

We had a great dine out at Memo's on Main Street in Turlock last month with about 40 attending. The food was good and the company of our fellow SIRs and spouses was even better. A big thank you to SIR Gary

2020 DUES ARE NOW DUE AND PAYABLE"

check the list elsewhere in the newsletter to verify if you have already paid.

Toombs for organizing another great outing. The next outing will be a wine tasting hosted by SIR Russ Winton. Check elsewhere in the newsletter or come to the next meeting to get the details. If you haven't joined us for a dine out or wine tasting, now is the time to join in on the fun.

The weather is getting nicer, spring is right around the corner and it is a good time to come join in on our SIR outdoor activities. Play golf, bocce ball, pickle ball, go RVing, fishing, fly RC airplanes and more. See later in this newsletter for information on the various activities, schedules and contact persons. Our members devote their time and energy organizing these activities, so come out and support them.

Finally, a reminder that the 2020 dues of \$30 are now past due. If you haven't renewed yet, please pay at the March meeting or call Doug Brinkley to arrange payment. Any members that haven't paid their dues by March will be contacted by the Branch membership committee to confirm whether or not they wish to remain a member.

I hope to see you all at the next meeting. Come join us for a delicious lunch and a great program, visit with old friends, make new ones and support your branch.

**Our Speaker for the month of
MARCH Will Be
AMY BUBLAK**

Amy Bublak, was first elected to the Turlock City Council in the fall of 2008 and is currently serving her third term as a member of City Council representing District 4. Her decision making process is based on receiving input from City employees, Turlock residents, and her colleagues without a personal agenda other than to enhance the quality of life for all Turlock residents and employees. Amy insists on conducting all City business in a transparent manner allowing her Council colleagues, City employees, and City residents to understand how and why decisions are made, always in the best interests for the City of Turlock. Amy believes in a fiscal policy where City expenditures are discussed transparently and financial resources are always allocated in the best interest of all Turlock residents consistent with state and city policy.

As a retired law enforcement professional with over twenty- three years of experience, and veteran of the City Council, Amy supports keeping Turlock residents safe by fully funding Public Safety dispatchers, fire fighters and police officers. She devotes all of her efforts to meeting the challenges Turlock faces on a daily basis. In 2016, responding to constituent requests, she authored a council resolution allocating \$100,000 from general fund revenue annually to make Turlock roads better.

WINE TASTING - Russ Winton

Wine Investigation for Novices and Oenophiles (W.I.N.O.)

The wine tasting at Toscana's will start with a bubbly as a palate breaker to cleanse your taste sensors. We will be tasting a flight of three whites and a three reds. The wines will be reasonably priced medal winners from recent competitions and won't drain your 401K. As a review, I will go over the basic steps in wine tasting. I'm guessing most of you left your notes at home. The tasting will be about one hour, food orders (great appetizers) will be taken with separate tags around 7:00 and usually dinner is finished by 8:00. It's a fun and relaxed evening. Just remember, trust your palate and drink what YOU like. See you on the 19th!

After I raved about some of the discounts on several wines at Costco at the last SIR meeting, I returned. The wines were all back to their regular price. That happens a lot at Costco...if you like it, at a good price, buy it...or it will be gone tomorrow. Here are three good deals at the Grocery Outlet; Five-Ton Zin, a 2014 Sonoma County Zinfandel just \$5.95, 30 Degrees, a 2018 Santa Barbara County Pinot Noir just \$6.95 and the Robert Hall 2016 Paso Robles Syrah, really, just \$4.95. The Turlock store might be able to order more of this Syrah but I called the Merced Store, they had it, and I bought a case. This Paso Syrah at 5 bucks was well worth the drive. Cheers!
