Message From The Big Sir...

Happy November, Sirs!

As we enter this month, we are reminded of the importance of gratitude, community, and remembrance. In all things.....**BE THANKFUL !**

Honoring Our Veterans on November 11th

Veterans Day, observed annually on November 11th, is a federal holiday that holds great significance for our nation. It began as "Armistice Day," a commemoration of the armistice signed between the Allied nations and Germany on November 11, 1918, which ended World War I.

It is time, once again, for us to recognize and appreciate the sacrifices, courage, and dedication of all who have served our great country. Rick Kindle has a special program honoring our veterans at our upcoming monthly luncheon, on November 19th.

A Season of Thankfulness: The History of Thanksgiving

President Abraham Lincoln officially proclaimed a national Thanksgiving holiday during the Civil War in 1863, hoping to unite a divided country. Congress set the fourth Thursday of November as the official date for the Thanksgiving holiday in 1941. It has a rich history rooted in harvest, festivals and communal gatherings. The story most Americans learn is of the 1621 feast shared between the Plymouth colonists and the Wam-

panoag people, celebrating a successful harvest. This month, as we gather with family and friends, let us remember to be thankful for our own blessings and for the fellowship we share as SIR members.

Stay Connected and Grow Our Group

Our SIR branch thrives on the friendships and social connections we build. It is so important that we all try to stay in touch, especially with those members who may not be as active. A simple phone call can make a big difference.

As we continue to grow, we need your help to introduce new men to the benefits of SIR membership. Many men in our communities could benefit from the camaraderie and activities we offer. Please remember these important steps to help us expand our branch:

- **Always carry a couple of business cards** with you to hand out to potential members.
- **Use the tri-fold flyers** to give prospective members a more comprehensive overview of what SIR is all about. These flyers are a great tool for explaining our activities and purpose.

Remember, our organization was founded to provide retired men with opportunities to form new friendships and enjoy their later years with dignity and pride. Let's continue to uphold that mission. We look forward to seeing you at our upcoming events!

Sincerely,
Roger Jackson
Big Sir, Branch #143

Recruitment & Publicity: Chairman Rick Kindle reported on new yard signs and banners for publicity and recruiting and passed around a sample of the text for the yard signs. Old Business: Big SIR Roger Jackson reviewed the schedule of branch operations and reported that all required action items for October have been completed. Roger also reported on the schedule for 2026 luncheon programs and noted there are still months still needing programs to be scheduled.

There was discussion about having the program before having the committee reports. It was decided it would be more considerate to our speakers to have them earlier in our agenda. New agenda will be the pledge of allegiance, song, invocation, speaker then committee reports, etc.

There was a continuation of the discussion of 2026 dues from last month. After discussing our budget and considering potential publicity and recruiting related expenses there was a motion by John Cardoza to keep dues at \$40.00. Fred Courter seconded and the motion carried unanimously.

New Business: Roger Jackson reported on a repeat of our Castle Noz dinner event to be held Friday, May 22, 2026. Catering will again be by Neto's with musical entertainment by the band "No Way Back" same as last year. Volunteers are needed to set up, serve and clean up afterwards.

Our Speaker for the November Luncheon will be...

Minh Beebout

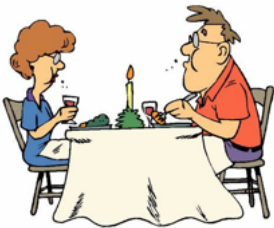

Minh Beebout was born and raised in Vietnam and lived through one of the most turbulent times in her country's history. In 1975, as the war drew to a close and the communist forces took control, Minh and her family made the courageous decision to flee their homeland in search of safety and freedom. After a long and difficult journey, they eventually settled in the United States, where Minh built a new life rooted in hard work, resilience, and gratitude. Over the years, she has become an inspiring voice in her community—sharing her experiences of survival, hope, and the power of perseverance.

Minh has spoken at educational and community programs, including the Modesto Institute for Continued Learning (MIDL) at Modesto Junior College, where her story deeply moved audiences. Today, she continues to share her message to remind others of the human cost of freedom and the enduring spirit of those who seek a better life.

Honoring our Veteran's will be **Rick Kindle**

I will be highlighting our great military for those who served in honor of Veteran's Day at November Luncheon.

Our new yard signs have arrived, and we are looking for some volunteers:

We need 4-5 members who will be in charge of 10 signs each. These can be placed in member's yards, preferably in high traffic areas, like Seniors walking routes, shopping centers, etc. and then keep track of the signs and move them every 30-60 days for maximum exposure.

Members who are willing to place signs in their yards. If you are willing drop an email to Rick at rick@kindleandassoc.com or call **209-652-8608** and we will get a sign to you. I am proud of how the signs came out and we are hopeful we can gain some exposure to welcome in some new members.
