Social Hour 11:00 AM

Meeting : 12 Noon
\$ 15 and no Buck Bucket

The gentle chill of November with clocks falling back an hour will see warmly feathered SIR Roosters munching another hardy lunch at Pardini's...with old and new friends maybe getting one of those lucky tickets for a bottle of wine.

Guys...bring in that friend of yours who could enjoy more fun as our welcomed new member. You will be rewarded with a well-earned lunch ticket. Yes...a plus.

A couple weeks later we will count our blessing as we celebrate another Thanksgiving. Yeah...life **IS** good when you are us.

Some of you Cocky Old Roosters have asked when you are going to see some of my art work of naked people. Well...now is your chance...and you don't have to drive to over to Avenal.

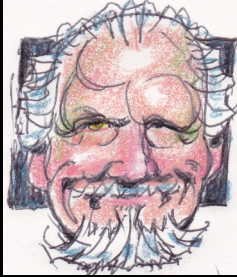

There will be Huffman Art in November...two nudes at Sorensen's Gallery on South Van Ness. One or two figure studies at the Door Art Gallery on West Bullard and Marks...and you are not a creep if you sneak a peek.

October fly-fishing on Lake Almanor from a tube float was a hoot...as usual. Off the water warm bull sessions, ball games on TV with wine flowing and fine dining...well yeah...

Little Sir, Gary Smith continues to bring us top-drawer interesting speakers. His SIR RAMP teams are treating us with expanding choices of activities...and you men are showing up.

Our History Round Table guys, Mike Rumley and Steve Chase group gather to share their bright and cool insights. Hey, Guys...you are welcome to join them.

We are still looking for more card players and board-gamers to gather with our bridge group. Bring your ladies, guests, cards and games (**Big SIR continued on page 2**)

Big S IR Perry

"Roses are red, violets are blue, I'm schizophrenic, and so am I." - Oscar Levant

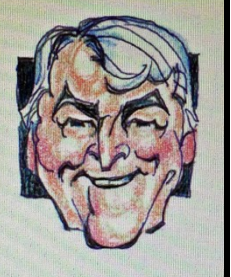

Whenever our speaker hits the right note it's always easy to tell. There aren't the usual suspects tiptoeing out early, or, what I call, the 1:30 rustling. And afterwards a crowd gathers round to ask just a few more questions or relate a few more anecdotes. Looking over to the next table- was that a tear in **Perry Huffman's** eye? I think it was! The last time that happened was when someone ate his dessert. Janice Noga is a true talent and a gracious lady and I am so glad that she agreed to share her talent with us. Thanks again to **Ray Ensher** for putting us in contact with her.

For those of you who missed her, you missed something special. For those who missed her for a \$1 taco-well, I don't know what to say.

This month we have another special speaker. Ruth Lang is the acting director of the Fresno Historical Society and will be speaking on the history of our fair city. Thanks to **Charlie Barrett** for his assistance.

I want to thank all of you that responded to **Terry Byrne's** survey about next year's travel events. I am sorry - even though it was the top vote getter, City Lights will be a no-go. It's that since many of our members are getting up there in age, we worry that too much excitement makes it an unworkable health risk. Seriously, Terry is hard at work and we should have a whole plethora of activities from which to choose.

I had the chance to attend my first History Roundtable this month. I love these things. What we don't know, someone does know, (**Little SIR continued on page 2**)

Little SIR Gary

Be A Friend - Bring a Friend

(Big SIR continued from page 1) and join in the fun.

Roger Deal and his group can help you with computer devices. These guys are sure helping me. See you there.

Roosters, when you bring a guest or sponsor a new member...be sure to tell your caller for our food count. And please introduce him to your Big Sir, Activity Chairmen and an ambassador. You can help him get to know some new best friends.

Guys...please plan to attend your December lunch....whether you bring a lady or not.

This is your club. While ladies are honored as our special guests...there will be some of us without ladies. You will always have your reserved seat. See you there.

New Member

Each month when we induct new members we will ask them to give us a little info about themselves and we will put that in the Chanticleer along with their picture. In a group with over 200 members it can be easy to get lost in the shuffle. So please, get to know the newest members, introduce yourselves to them at the next luncheon and help get them involved. Let them know that we consider it a privilege that they have chosen to spend some time with us.

(Little SIR continued from page 1) and since everybody has an opinion on historic events, it's always spirited. No one did answer my question though. According to **John Crawford**, the Scots settled Ireland, and according to **Duke Marshall**, the Irish settled Scotland. They both agreed that America was a wasteland before the Celts got here! Jeanette settled the dispute when I got home, it seems that the Portugese settled all three of them.

You should absolutely not miss the next one. I think it will be all about the Norman Conquest. But gads, I have been searching my encyclopedia since they announced the topic and can find no conqueror named Norman. So I plan on learning a lot. Details should be in this Chanticleer.

Well I've got to sign off because the World Champion Cavs are about to begin thier season and the soon to be World Champion Indians are about to close theirs. I predict that the Browns will go 9-0 down the stretch, finish at 9-7, and go on to win the Super Bowl. But, then, I also predicted Mondale in a landslide.

So long, see you on the 10th.

A BIOGRAPHY OF LITTLE SIR FOR 2017 — MIKE RUMLEY

Whenever one comes into contact with Mike Rumley, they get a warm friendly feeling. He always has a big teddy bear grin, and he laughs easily. Mike has been elected by the members of SIR Branch 159 to be their Little SIR for 2017.

Mike was born in Fresno on January 17, 1947. He has a younger brother named Jim. Jim lives in Fresno.

ings. They had crowded classrooms. It was a period of great growth in Fresno. Mike went on to Hamilton Junior High, and graduated from Fresno High in 1965.

While in high school, he played basketball. Don Boline, whom was a SIR 159, before his passing, was a coach who he played against during his time in high school. Dave Barredo, whom is a SIR in Branch 159, was a teammate of Mike. Following high school, Mike was

Mike attended Dailey Elementary in temporary build-

recruited to play basketball at Fresno State College. After playing one year Mike decided that it was time to move on to other things.

During his sophomore year in college, Mike went to dances at the old Kearney Bowl. At a Halloween dance in 1966, he met Phyllis, the love of his life. They were married in December of 1967. Phyllis and Mike are coming upon their 50th anniversary.

While attending college Mike work as an early morning home delivery milk man. He went to classes in the afternoons, and refereed basketball in the evenings. Talk about multitasking. He would study whenever he could. He had a high motivation to get a degree.

During 1969, his senior year in college, he managed to stay out of the draft, using his student deferment. Both he and Phyllis earned their degrees in 1969. His was in Social Science with a minor in P.E. Phyllis' degree was also, in Social Science.

Mike had a strong desire to become a teacher. Due to the shortage of teachers, Mike was able to score a position as an Intern Teacher. This meant that he would be hired and paid while he completed his 5th year earning a credential. He was hired at Kings County Delta View Elementary School. He would then go to education classes the summer before he started teaching; during the year at night while teaching; and the summer after teaching his first year. Again, another example of his multitasking and dedication to achieve. He taught 6, 7, and 8th grades all in the same classroom. It was a country school. He also coached afterschool sports. Quite a challenge for a first year teacher, while earning his secondary credential.

In the fall of 1971, Mike was offered a teaching and coaching position in the Clovis Unified School District. He started his Clovis experience at Clark Intermediate School. This was the time when Dr. Buchanan put his great plan into operation to make Clovis schools number 1. Mike was part of that plan. In the fall of 73 he moved to Clovis West High School. He taught everything in the History Department, and coached basketball. Eventually in 1978, he became department chair for the History Department.

While he was at Clark, he had gone back to school and earned a Master's Degree in Secondary Education Administration, and at the same time an elementary creden-

tial.

1974 found him becoming a father. Christopher was born in 1974, and in 1978 along came Nathan. Chris went on to become one of the most successful swimmers in Valley History. He was given a full scholarship to University of Michigan, where he was 1st Team All American each of his 4 years. Chris has been inducted into Michigan's Sports Hall of fame for swimming. He still holds two valley swimming records. Chris lives in the Charlotte area of South Carolina and has two children, Page and Hayden. Nathan's sport was football. He was a city/county All Star. Nathan lives in Fresno, and works as an electrician. He has one son, Logan.

Mike became a consultant for teaching Advance Placement courses in 1990. He traveled the country teaching teachers. This coming year, in June, he will be in Tampa, Florida grading AP Tests as part of his consulting.

In 2006, Mike took an early retirement and left Clovis Unified. He, then, started working for California Virtual Academies. He teaches American History through the internet. He is still doing this activity.

Mike plays golf with SIRs on Mondays and Thursdays as time permits. He enjoys reading historical novels and non-fiction history books. Mike is a part of the SIR History Discussion Group. He finds cooking a fun hobby. Mike won the State of California BBQ Championship in 1984. He often competes in local BBQ competitions as well. He has recently found an interest in the preservation of food. Mike has entered his canning in the Fresno County Fair. You can see his entries at this year's fair in the Home Arts building. He also will enter the salsa competition. Last fall, Mike put on a BBQ for the Monday golf group, and since, along with Steve Chase, he has done so again.

In 2013, Mike joined SIR Branch 159. He had found guys having a lot of fun playing golf at Riverside. He was impressed with their enjoyment. He called a phone number on a card given to him. It was a state SIR office. Mike was told about the 4 branches in Fresno. He chose Branch 159; went to a luncheon, and it turns out it was Ladies Day. He left and came back the next month. This is when he hooked up with an old friend Bill Leavitt. Bill then sponsored Mike for membership. Soon, he became assistant Treasurer and is now ready to become Little SIR

for 2017. I am sure he will put the same energy into being Little SIR as he has his previous endeavors. Hurrah for Little SIR Mike.

Answer: Billy lives in the Southern Hemisphere

Answer: You can't take pictures with a wooden leg. You need a camera to take pictures.

What was the President's Name in 1975?

If you were running a race, and you passed the person in 2nd place, what place would you be in now?

Answer: You would be in 2nd. Well, you passed the person in second place, not first.

October Speaker Janice Noga

Your New Area 29 Governor, SIR Lee Moy

For the better part of four years, I have had the pleasure of serving as your Branch #159 Travel chairman. Would you believe some 100 flyers were produced during that time with over 300+ members participating. Unlike many branches that cruise, my focus has been with local destinations. SIR Terry Byrne has volunteered to carry on this tradition. Let's support him in his efforts as he is doing his level best to make available many fine trips. At the State SIR level I will continue putting together baseball game group packages.

This new position is at the area level with guidance from District 8 Director SIR Allan Baxter. We've been to the regional AG training together. At another time we attended a luncheon with my counterpart SIR Rick Kindie. The next day I drove to Bakersfield to sit in on Branch #163 BEC as well make a presentation at their luncheon. SIR Tom Buck is pictured on the left, and SIR Rick Kindie (Branch #144) on the far right of the second picture.

Additionally, the position requires that I prepare RAMP training for all five branches, plus organize the incoming branch officers' workshop. Busy indeed.

State SIR has a lot of supporting documents & videos. The gentlemen at State are genuinely interested in our growth. Let's introduce SIR to other retirees so that they too can experience the many activities, events and fellowship. We are indeed an organization that truly allows others to be your "Friends for Life". Volunteering allows you to better appreciate the efforts of all who make it possible. Please help; "step up to the plate" whether it's at the luncheon and/or by expanding your experience through volunteering.

Our motto is "Always First, Always Fresh". Typically restaurants open at 11:30 AM. We are their first customers of the day. The welcoming employees treat us very well. We can count on their ingredients to be the freshest.

We look forward to another foreign flavor as we venture to Peru via Señor Aji. It's located near the GB 3 (Herndon & Millburn).

Come casual and enjoy. Meet new friends. Why stay home? A little adventure makes life so much more exciting and new.

Future request includes Japanese teppan-yaki, Mexican cuisine, Armenian taste, as well as Ethiopian & Brazilian restaurants.
