*Boy, those French: they have a different word for everything! -Steve Martin*

After spending three days relaxing in the subtropical sunshine and warm breezes of Mexico and Catalina on the annual golf cruise it was good to get home. I wish! I felt like Amundson in search of the North (or was it the South) pole. It was cold and foggy but at least I didn't have to eat my sled dogs. It took two days to get to Catalina Island because of the gale that blew but Ensenda was much better, the winds calmed to 30 knots as the fog rolled in. We finally gave up looking for Terry Byrne. The last we saw of him was being blown off the cliff into the fog. I'm sure he'll turn up somewhere. I hear there was a sighting of him in Scottsdale, Arizona. I would not have missed the cruise for the world. Thank you to **Mike Moyle** and **Howard Zinn** for making the arrangements.

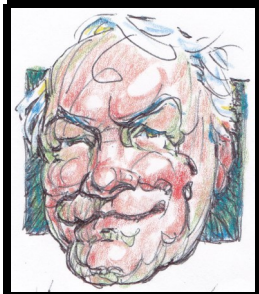

Thanks, too, to **Mike Rumley** for talking over in my absence. I heard things like "best meeting ever". Come on guys, I'm still in the (Big SIR continued on page 2)

**Big SIR Gary**

If I wanted to live in Seattle or Oregon I would have moved there. I understand now why the Pacific Northwest has largest number of Starbuck's and people with chronic depression. It is because they never see the sun and it rains all the time. As I am writing this column it is pouring outside and the round of golf with the "Warriors" that I had eagerly looked forward to must be put on hold for another week. Thank goodness that SIRs offer indoor activities. You can always bowl a few frames, play some cards, and attend informational meetings without the fear of drowning. I know that the Valley needs rain but is it too much to ask to spread it out a little. My golf clubs are actually growing mold!

Growing up in the "burbs" in central Fresno the baby boomers rode their bikes everywhere. All the schools had "bike barns" where our trusty rides would hang out until the last bell. Weekend bike trips up to Millerton Lake were the norm. The old abandoned army barracks out in Pinedale was another (Little SIR continued on page 2)

**Little SIR Mike**

(Big SIR continued from page 1) room! It's nice to know that our branch had the talent to take over any job when the need arises. Talk of a coup d'etat may be premature.

You may see in the Chanticleer this month a graphic about the SIR New Member Derby. As you know, we are giving away a prize to the member who recruits the most members this year. After one month in we have three SIRs tied for the lead with two others breathing down their necks. You can now keep track of the race each month in the Chanticleer. Why not get on the toteboard by bring in a new member this month. Fame and Fortune can be yours.

Speaking of races and tote boards, we are working on an exiting new project. I cannot say specifically what it is but can say it involves toteboards and the Fresno Fair. **Carl Merz** is working diligently to get it off the ground.

Congratulations and welcome to new members **Allen Teixeira** and **Louie Baquera**. Take a second at the March luncheon to introduce yourselves and say hello.

Our hardworking BEC and HLM/PBSs have several things going on:

1) We are reaching out to our 40 inactive members in an effort to get them active again. If you know any inactive members, please contact them and see if they will reengage. Hopefully, we'll be able to interest a few of our friends to get back.

2) It was brought to my attention that many employers have websites devoted to their retirees. We are forming a task force to identify and become a presence on these sites.

3) We are making banners and posters for all of our activities so that we can put out the SIR brand whenever we are in public. Regular functions like golf and bowling will have their own specialized banners and other will have more generic ones. The idea is to let everyone know who we are. These will be available to any SIR upon request. We will also have Rotary Club banners if you are planning a function that is illegal or antisocial. Rotary Club members, this is a joke. If you have either a SIR banner or a SIR poster, please bring them to the March meeting. We need to compile an inventory.

(Little SIR continued from page 1) prime destination. Bikes were ridden into downtown Fresno for the Saturday "cartoon-a-thon." One of the trips that sticks in my mind was the ride down West Shaw Avenue. One of the guys had said that there was this neat old farm that was built underground and had caves and everything. Exploring underground caves to a 13 year old was something that you couldn't pass up. We were really bummed out when we got there to see that there was a big old chain link fence surrounding the property. And a gate that was locked. Sadly we peddled back home and the trip was replaced with memories of other successful jaunts. I always thought I would go back when the fence came down some day and do some exploring.

I never did get a chance to visit Forestiere Underground Gardens. Like many native Fresnoians I take some of the great historical landmarks we have in our area for granted. But no more! I am going to make a personal effort to explore some of our areas local attractions. Kearney Mansion? Meux House? Chinatown Alley? Our guest speaker for our luncheon on March 9<sup>th</sup> will be Mr. Martin Medina who is the Director of the Forestiere Underground Gardens. His presentation will touch on the history of this amazing site. Then, coordinated with Terry Byrne, our travel coordinator, we will be setting up a tour for our branch and friends. I will make sure that I am on it! The tour will be on a Saturday and at a reduced price.

They say that March goes in like a lion and out like a lamb. I hope the groundhog was right and that we can count on some "lamb" like weather starting around the middle of March. Planning our Lady's Day picnic and barbeque in May at Kearney Park is underway. If you are interested in helping with the planning or wish to be a part of a committee, please contact myself or John Crawford. Please see the flyer in the Chanticleer and get your entry into Shane Peterson. It will be a "4-Fer" time. Family, Food, Friends, and Fun.

---

4) We are upgrading our website. **Butch Evans** has done a wonderful job designing and maintaining the existing site for many years. He has relinquished the task to **Gary Morgan**, our new webmaster who, along with **Perry Huffman**, are working hard on upgrades.

5) Finally, **Charlie Barrett** has the SIR 159 Facebook page online and looking good. If you haven't seen it, go to **Sons in Retirement Branch 159**, write a comment or post a

photo. This can be a very powerful recruiting tool for us and something we can be proud of. There are only two other branches that have a Facebook page.

Thanks to you all for the help you are giving me this year, God knows I can use all I can get. See you March 9th.

## 2017 Catalina/Ensenada Golf Cruise

Our 7th annual Catalina/Ensenada golf cruise is now history. This year's cruise on the Carnival Inspiration (FEB 6 -10) was enjoyed by 36 SIR, family and friends.

The cruise set sail late afternoon on Monday the 6th. Tuesday was scheduled for a day in Catalina...but due to windy conditions and possible safety concerns boarding the tenders required to get from the ship to land...anchoring by Catalina was postponed until Wednesday. That turned out to be a good thing, as Catalina had received quite a bit of rain on Monday and the golf course was actually closed down on Tuesday due to soggy conditions. Wednesday the golf course was back in business so we were able to get in our round of play, albeit on an unusually overcast day. All was made well though with eating and drinking at the 'Sandtrap' restaurant and bar (19th hole) directly across the street from the course at the end of play. :-)

Thursday morning found us being the first off the ship in Ensenada boarding a bus with our clubs. We were soon enroute to Bajamar Golf Resort, a Canadian / U.S. enclave of retirement homes situated on the coast roughly 20 miles north. With the course practically to ourselves, we were able to enjoy a shotgun start on a warm, 75 degree sunny morning. For the first time in 7 years though, after 1 1/2

hours of warm sunshine the clouds and fog started to roll in. I think most of our 20 or so golfers were thankful at the end of play to get into the restaurant/bar for great tasting margaritas!

While many of the SIR husbands were playing golf, a few of the wives got together to go on a winetasting tour to two wineries in the Ensenada area. Needless to say, there were a lot of happy golfers/wine tasters returning to the ship by mid afternoon.

That night many of our group got together for a 1 hour open bar party. For the first year ever we were able to get this party and a bottle of wine per stateroom gratis by getting a group booking number through our travel agent. What great perks! We look forward to doing the same next year. After our party, many of our group went to dinner together for our last evening on board ship.

Next morning, as usual, the ship was docked in the the Long Beach terminal early on. For those of us who opted to carry our luggage off board ship, we were quickly cleared through customs and on the road home by 8 AM. and back in Fresno by noon.

Alex Ramirez, Jim Morgan, Gerald Peloian, Al Carlson, Gilbert Mattossian

Ramirez, Morgan, Peloian, Mattossian and Carlson break well at the start with one member recruited each, and Russ Wyatt in the paddock waiting for his recruit to get to the luncheon. All the roosters are coveting the fabulous prizes they will receive for recruiting the most new members by the end of the year.

## Golfers Corner

In addition to the weekly events that Branch 159 hosts all year long, there are 5 golf Special Events available to the SIR branch 159 players with a more competitive mind. Here is a summary of current information for these tournaments.

**1. SIR Branch 159:** Branch Championships (Individual & Team), Ron Rich (Match play), and Holiday Cup (Gross and Net play, 2x18 holes, during the Xmas season), all events hosted by Branch 159.

**2. SIR Area 29 Championship,** is a team (6 man) event to determine the #1 branch in the Fresno area. Net play (18 holes). Each branch can sign up more than one team.

**3. SIR State Championships** events are ruled by the SIR State Golf Committee, the player must hold a SIR GHIN handicap:

. Individual Championship (Net stroke, 7 flights): Area Qualifier, then Division Qualifier and the Championship (7 flights, 18 holes) to decide who is the best SIR golfer.

. Team Championship (Scramble 4 men ABCD): one Area Qualifier, then the Championship (18 holes) to decide who is the best SIR Scramble team.

**4. SIR State Tournaments:** 1 or 2 days of fun golf, events are open to all SIR members, some to guests as well: Napa, Reno, Fall Classic (in Fresno). These events are hosted and ruled by the SIR State Golf Committee. Information is posted on the SIR State Golf and on our golf website.

**5. NCGA Associate events:** must hold a SIR GHIN handicap, all play follows USGA rules (i.e. no 6" lie bump). There is a branch qualifier (hosted by us), then a local qualifier and a championship (both hosted by

NCGA), player's handicap index is capped at 18.4 for play (except the Assoc. Net Am. which uses full handicap):

- . Four-ball Net (aka 2manBB)
- . Associate Team: 4 players, 2 best ball

### A Note from your Treasurer, Shane Petersen

We have mentioned how important it is to come to the luncheons when you tell your caller that you will attend. In January we had 13 members not show up and it cost our branch \$201.50 for their lunches!!

I am happy to report that at our February luncheon, we had Q lunches that we had to pay for!! **Great job guys**, keep up the good work as we continue looking forward to seeing you at our luncheons and having fun.

### The 2017 assessments are due by the March 9<sup>th</sup> luncheon.

We have **69 members** that have not paid their assessments yet.

**Don't let your active membership be put in jeopardy. I have sent an email to those who have not paid. The assessments pay for;**

### Race to the SIR Shirt

We want to make our SIR Branch #159 grow by bringing in new potential members. So we ask everyone to bring a friend in and show him all that we have to offer. There is more to life after retirement than just sitting in your recliner and watching T.V. and getting fat. Let them know of all the great activities they can participate in and besides that, having a delicious lunch out once a month with a bunch of great guys aint bad either.

We have a fierce competition going with a five way tie for first place for the SIR Shirt with Alex Ramirez, Jim Morgan, Gerald Peloian, Al Carlson and Gilbert Matossian all bringing in one new member apiece.

## Attendance Report

In February, 2017, SIR Branch #159 had 199 active members of which 122 were in attendance at Pardini's for the luncheon on the 9<sup>th</sup>. This represents 61% of the active membership. Of the 77 members absent, 40 were excused. Members are expected to attend the monthly meeting or to notify the Attendance Chairman when the wish to be excused. Three consecutive unexcused absences or six unexcused absences in a twelve month period constitutes a jeopardy to membership. If you are unable to attend a future meeting, PLEASE call 447-5388 or send an email to [DukMarshal@aol.com](mailto:DukMarshal@aol.com) When you call or email please include your NAME and BADGE NUMBER

Remember our lunch count depends on YOU responding to your caller and if plans change notifying either Ron Travis @322-1898 or myself, number above by **HIGH NOON of the MONDAY before** luncheon or ASAP! Our callers begin making those calls on the Thursday-Sunday prior to the luncheon. Please do your part.

For Ladies' Day (May & December) contact Shane Petersen @ 916-1821.

A very cranky woman "in her senior years" was arrested for shoplifting at a grocery store. She gave everyone a hard time, from the store manager to the security guard to the arresting officer who took her away. She complained and criticized everything and everyone throughout the process.

When she appeared before the judge, the judge asked her what she had stolen from the store.

The lady defiantly replied, "Just a stupid can of peaches."

The judge then asked why she had done it.

She replied, "I was hungry and forgot to bring any cash to the store."

The judge asked how many peaches were in the can.

She replied in a nasty tone, "Nine! But why do you care about that?"

The judge answered patiently, "Well, ma'am, because I'm going to give you nine days in jail -- one day for each peach."

As the judge was about to drop his gavel, the lady's long-suffering husband raised his hand slowly and asked if he might speak.

The judge said, "Yes sir, what do you have to add?"

The husband said meekly, "Your Honor, she also stole two cans of peas."

### History Roundtable

It probably was not a good idea to schedule a History Roundtable on Valentine's Day. For one thing, the Yosemite Falls Café was teeming with seniors having lunch so tables were scarce. This month contains Saint Patrick's Day so what better way to honor the venerable one than to dedicate the Roundtable to the Saint. We all know that the Irish saved civilization. This topic and more at our next History Roundtable on Tuesday, March 14 at 11:00 AM at the Yosemite Falls Café on Blackstone just north of Shaw.

## New Members

Each month we will profile the newest members, the ones inducted in the last month's luncheon, with a picture and a short profile. In a group with over 200 members it can be easy to get lost in the shuffle. So please, get to know the newest members, introduce yourselves to them at the next luncheon and help get them involved. Let them know that we consider it a privilege that they have chosen to spend some time with us.

### Sunshine Committee

One more month and the first quarter will be over for 2017. Hope it will be profitable for you. Not much to report on this month, not that there isn't stuff to write about, we have had more than one request to not mention some of our downed branch 159 members. I will respect their wishes. One fellow you all know didn't get enough time to think about it, and probably just doesn't care. Hank Gomar has been put on dialysis. He's not feeling well so won't be coming to the March luncheon. We will hold a kind thought for him.

If someone in your group has been ill or worse, let me know. I'm Ron Wilson, [ronwilson7777@sbcglobal.net](mailto:ronwilson7777@sbcglobal.net) or 960-8294. If that doesn't work, get a hold of Charles Barrett.

(If your wife is sensitive don't let her read this humor piece.)

A guy walked into a drug store and asked to talk to a male pharmacist.

The woman he was speaking with said she was the only pharmacist and since she and her sister owned the store, there were no male employees.

She asked if she could help me. He said that he really would have preferred to speak with a male pharmacist, She assured him that she was completely professional and whatever it was that he needed to discuss, he could be confident that she would treat him with a high level of professionalism.

He reluctantly agreed and began by saying, "This is tough for me to discuss, but here goes. I get erections every day that last more than four hours This condition causes me a lot of problems and severe embarrassment. I was wondering what you could give me for it?"

The Pharmacist said, "Just a minute, I'll talk to my sister."

When she returned, she said, "We discussed it at length and here's the absolute best we can do:

\*\* Free room and board

\*\* 1/3 ownership in the store,

All in all, our group enjoyed this annual cruise...despite the murky weather experienced for the first time in 7 years. Consideration is being made on changing the sail date (always the day after the Super Bowl) for a later date in February in 2018. Three of the reasons for possibly doing so...1) our SIR would not be absent from the monthly luncheon, 2) those who would like to could now attend an early round of the AT&T golf tournament held that week at Pebble Beach, and 3) more likelihood of great

weather a couple of weeks later in February.

Be sure to look for some pictures of the cruise at our next luncheon in March over by the golf signup boards!

Murphy showed up at Mass one Sunday and the priest almost fell down when he saw him. He'd never been to church in his life. After Mass, the priest caught up with him and said, "Murphy, I am so glad ya decided to come to Mass. What made ya come?"

Murphy said, "I got to be honest with you Father, a while back, I misplaced me hat and I really, really love that hat. I know that McGlynn had a hat just like mine and I knew he came to church every Sunday. I also knew that he had to take off his hat during Mass and figured he would leave it in the back of church. So, I was going to leave after Communion and steal McGlynn's hat."

The priest said, "Well, Murphy, I notice that ya didn't steal McGlynn's hat. What changed your mind?"

Murphy replied, "Well, after I heard your sermon on the Ten Commandments, I decided that I didn't need to steal McGlynn's hat after all."

With a tear in his eye the priest gave Murphy a big smile and said; "After I talked about 'Thou Shalt Not Steal' ya decided you would rather do without your hat than burn in Hell?"

Murphy slowly shook his head. "No, Father, after ya talked about 'Thou Shalt Not Commit Adultery' I remembered where I left me hat."
