Get your facts first, then you can distort them as you please-Mark Twain

I was sitting here this afternoon thinking about whether I should mow the lawn or write an article for the Chanticleer. It is 108 degrees outside right now and even

Big SIR Gary

though the backyard looks like something from ... (Man, I can't find a metaphor for tall grass), Chanticleer wins.

Our branch had a very productive month. The Monday golfers have approved and are in the process of obtaining a bench and plaque in memory of **Jim**Whitmer which will be set up on the 15th tee at Riverside Golf Course. If you didn't know Jim, it is your loss. He was quite a guy, a good friend and valuable SIR and the (Big SIR continued on page 2)

You have heard the expression the "dog days of summer" Just what does that mean? Obviously, it has to do with the hot, sultry days of summer. But why a dog? Dogs are man's best friend and they must take the blame for global warming? I don't think that is fair. How did we come to this? I remember from my High School English class when we were studying mythology

Little SIR Mike

that the god of the underworld, Hades, had a pet guard dog. That would be one hot dog. (groan) "who's hotter than Hell!" It was so hot that little Timmy often went swimming in the well which caused Lassie to go nuts. All that barking and running around caused her to dehydrate but not before they pulled a protesting Timmy (he was chillin) from the reservoir. Toto gets blamed for killing the Wicked Witch of the West by dumping water on her causing a spontaneous heat combustion. She melted from the heat. Now that is hot! Old Yeller killed a rabid bat on the prairie during a sizzling summer day and you know what happened to him. (Little SIR continued on page 2)

(Big SIR continued from page 1)

reason that there is a Monday golf group.

Jim would stop each Monday on the 15th tee, open up this bottle of Jim Beam and toast his playing parnters. It has been a tradition as long as I can remember. The bench will be a permanent tribute to Jim and with a SIR logo on the plaque, a permanent advertisement for our branch. Donations for the cost of this impressive bench and plaque should be given to **Rich Lewis**. Many SIR have already donated and, hopefully, our very generous membership may offset the entire cost.

SIR Day at the Races at the Big Fresno Fair is a go. It will be held on Senior Day at the fair, October 9. This will be a joint venture with Branch 169. We, and our 169 brothers, are sponsoring one of the races. We will have a dedicated section in the grandstand where our banner will be prominently displayed. We will have an information table set up where our message will get out to thousands of seniors, and we will have a video message shown on the Jumbotron and all the tv's in the grandstand. This is open to all family members and guests.

Entry into the Fair is free that day. Entry into the grandstand is \$4.00 and we will ask for a nominal fee of \$3.00 from the attending members to offset our potential costs. This is easily recouped by winning just one Exacta. I have done the math: If I pay \$7.00 to get in and win just one superfecta for \$7,000 I made a 1,000% profit. See **Carl Merz** or **Reg Rosander** for details.

We are forming a committee to identify Senior Centers and Senior Living Facilities and will be giving presentations to them about our branch. If you would like to lead or serve on this committee, please see me, or any other officer or director.

I ask that each one of you consider serving on one of these committees and contact either **Carl Merz** or **Reg Rosander** for the Day at the Races, or me for the Senior Center Committee. The success of this branch is dependant upon your participation. Whenever I attend a meeting with other branches I am always impressed with two things. Successful branches always have a plethora of members who are willing to roll up thier sleeves and give (Big SIR continued on page 3)

(Little SIR continued from page 1) And, what about Checkers? Fala? Rin Tin Tin? Asta? Bullet? Hootch? And Scooby Do? These famous dogs gave their all to their masters and to their trainers who exploited them for money, fame, and glory. And nary a whelp. They deserve better than to be blamed for the oppressive heat and stifling humidity.

Actually, Greek, Roman, and Egyptian astrology had a common name for the star Sirius. It was called the "Dog Star "and it becomes visible in the night sky on or about July 19th. The ancients associated the dog star with the hottest time of the year. Hence, dog days of summer. Whatever! Just remember that dog spelled backwards is??? And that's how they should be treated.

So how can SIRs help you beat the heat? Everyone knows that it is 5 to 10 degrees cooler on the golf course. Take advantage of earlier start times when the morning is still cool. We have three ongoing golf activities from Branch 159. Weekly tournaments on Thursdays. The informal Whitmer's Warriors that play on Mondays. 9 holes on Wednesdays at Airways. Since we are talking about golf we need some SIRs to step forward and volunteer their services to help run the program. At the time of writing Duke Marshall needs someone to help with scoring. Please check with Duke or Gilbert Matossian if you are interested. On another topic, Whitmer's Warriors are collecting donations to help finance a permanent memorial to Jim and to Branch 159 that would sit adjacent to the 15th hole at Riverside. Please bring your checkbook to the Luncheon and get a check to the Golf Treasurer, Rich Lewis.

You can beat the heat by coming to our Luncheon on July 13th. Air-conditioning, cold beverages, and a great program. Our Luncheon speaker for July will be Mr. Blair Looney. Blair is the Chief Executive Officer of the Better Business Bureau for Central California and the Inland Empire Counties. He writes a weekly column for the Fresno Bee that deals with concerns and complaints from consumers. Of special note for us is his coverage of the scams and cons that often trap "a good wine that has aged." Blair graduated from Fresno High School in 1965. Wait a second!. . . That was the same year I graduated from FHS. Coincidence? It will be interesting to see if he is the same "surfer dude" that I remember.

Lee Moy has added (Little SIR continued on page 3)

(Big SIR continued from page 2) some effort for their branch. Unsuccessful branches always have membership where they have offices unfulfilled and membership who are willing to sit back and let a very small few do everything. Let's be the former.

I see that the temperature is now down to 107 so I think I'll tackle that lawn- now where did I leave that sweater? See you in July.

Support your country at all times, and the government when it deserves it. - Mark Twain

Attention Ladies, if you are not getting the SIR-159 Chanticleer and would like your own email copy please send your email address to rcolby@comcast.net (Rich Colby) to get added to the email distribution.

Men's Luncheon

If you guess that America's month is July, then you are most certainly a very proud citizen.

Not only is the Fourth of July, our most coveted celebrated of holidays, it is far and away our most enduring celebration of our freedoms.

How have we pledge of our allegiance, to put our hands to our hearts, as well as an organization, do so in unisons.

Join SIR 159 Men's Luncheon on July 25th.

BBQ ribs at Famous Dave's in RiverPark at 11 am. Yummy! Finger licking awesome!!!

Join SIR 159 History Group as we then meet at Edwards Theatre (also in RiverPark) as we partake in this summer's blockbuster movie...Dunkirk.

Ribs and a movie. and a beer thereafter at Yard House with over 100 beers on tap...or something close to that. (Little SIR continued from page 2) movies and beer to his restaurant luncheon. This will prove to be a heat buster all day long. Not only do you go out to lunch for some BBQ at Famous Dave's but you will able to sit in an air-conditioned theater and watch a war movie. (Dunkirk) Top off the afternoon by drinking cold beer at the Yard House. BBQ, War Movie, Beer. Please make sure you have your testosterone shots up to date before heading out on July 25th.

Finally, at the luncheon you will find an armed forces survey that I need you to fill out. We will add this information to our SIRs data base. Given our ages it is a given that many if not most of us served in the armed forces. We need this information for planning our November, Veterans Day Program which actually will occur on November 10th this year. We hope to make this day a special day for all our vets.

Stay cool!

History Roundtable

The History group had one of its more spirited discussions in our June Roundtable. We started the session with looking at an old article from the Fresno Republican in 1919 that related how the Australian government was sending some 100 World War I veterans to Fresno county to learn agricultural skills. We surmised that they might be survivors from the Battle of Gallipoli. In this horrible battle, the combined forces from the British Empire mainly Australians and New Zealanders lost 167,000 men to the Ottoman Turks. This in turn sparked a discussion of the Armenian genocide which led to a discussion of the large Armenian population in the Fresno area.

This is how the Roundtable goes. We start out with one topic and that germinates another one. Everyone has something to contribute as our family backgrounds are so diverse.

Our next Roundtable will take place on July 18th at 11:00 AM at the Yosemite Falls Café on Blackstone Ave. just north of Shaw. Our starting topic will be "Little known facts of the Revolutionary War." That's just for starters. Who knows where the discussion will go? Please come and bring a story!

Golfer's Corner

The Golf Team. Its no secret that our weekly golf tournament is the main activity in our branch, and draws, week after week, the most participation from SIR members.

Almost 100 active members are involved in golf, however just a handful of volunteers have carried the program for a few years.

The 2018 golf season is approaching fast, and our golf team is now looking to add 2 or 3 good fellows to co-share some duties, and lighten up a few tasks. No need to be a computer geek, or to be available 24/7. Gentle training will be provided. Pay is not negotiable, but the benefits are priceless!

We'd like to hear from you at our next events or at the luncheon. You may contact any of the members following for more info; (Gilbert, Duke, Gary, Mike and Rich), we're looking to grow the team so the program can remain on its current level.

Congratulations to Moyle, Henricksen, Cabral & Nunez who won the **2017 Branch Team Championship** at Sherwood Forest GC by 1/2 stroke over Morgan, Peloian, Merz & Huffman who stalled on hole 12, and by 1 stroke over Moy,

Rumley, Kerns & Rathburn. The course was in great shape and 12 teams competed.

Have you noticed the quality of the embroidery work for our logo on the jackets? We are using a new embroidery art place, right here in Fresno. (See Caps on page 15)

Fall Classic, September 18 & 19. The SIR State tournament is approaching. It will be part of our weekly events, i.e. no other games that week. We cannot use the boards to sign-up; rather, fill out the flyer posted on our website and mail a check for \$140 per player/guest to Butch Evans.

We're in the process of getting, as an enticement, a new "SIR 159" golf cap for all 159 golfers with a paid in registration. More info to follow.

Roger Dunn Special SIR event, July 19th, 2017, 10am-2pm.

We have negotiated a special sales event with Roger Dunn store in Fresno. See details per flyer attached. You must bring the flyer. The special is limited to the day and time agreed upon; it won't work the day prior, the day after, or at different hours.

CANOE TRIP DOWN THE SAN JOAQUIN

Due to extreme river conditions, all canoe trips have been cancelled until at least August 1, 2017. We hope to be able to schedule our excursion in mid to late August. However, it may not be until September.

In the meantime, if you are interested in participating, please EMAIL Terry

Byrne at tibyrne952@gmail.com and let him know how many seats you may want. Friends are invited. No solid commitment is required as we do not have a date certain yet.

For general information, visit: riverparkway.org/index.php/things-to-do/river-tours

We are considering the ½ Day excursion from Owl Hollow to Ft. Washington Beach. Although the scheduled price per person is \$35.00, our group rate should be less than \$27.00 each.

EMAIL Terry if you are interested.

Horseshoes

On June 21st the horseshoe group met for another round. Eight gentlemen showed up to see who could get the most ringers. However, we did find it rather difficult to throw a ringer with 3 broken shoes. Don't make these guys mad. We were able to complete the round with Ed Bier and Rich Coly going undefeated at 4-0; Reg Rosander and Robert Rathburn at 2-0; Gerry Fields and Rich Lewis at 2-0. Not to be outdone by Bier and Colby, we had another pair with "unblemished" record--Terry Byrne and Roger Deal scored a perfect 0-4. Our next round will be held on Wednesday, July 5th at Bi Centennial park--84 No. Sunnyside, Clovis, hopefully with new, unbreakable shoes

The 98-year-old Mother Superior lay dying. The nuns gathered around her bed trying to make her last journey comfortable. They tried

giving her warm milk to drink but she refused it. One of the nuns took the glass back to the kitchen.

Then, remembering a bottle of Irish Whiskey that had been received as a

gift the previous Christmas, she opened it and poured a generous amount into the warm milk.

Back at Mother Superior's bed, they held the glass to her lips.

The frail nun drank a little, then a little more and before they knew it, she had finished the whole glass down to the last drop. As her eyes brightened, the nuns thought it would be a good opportunity to have one last talk with their spiritual leader.

"Mother," the nuns asked earnestly, "Please give us some of your wisdom before you leave us."

She raised herself up in bed on one elbow, looked at them and said: "Don't sell that cow."

DON'T talk to the parrot...'

Wanda's dishwasher was broken, so she called a repairman. Since she had to go to work the next day, she told the repairman, "I'll leave the key under the mat. Fix the dishwasher, leave the bill on the counter, and I'll mail you a check.

Oh, by the way, don't worry about my dog, Spike. He won't bother you. But, whatever you do, DO NOT under ANY circumstances, talk to my parrot!" "I MUST STRESS TO YOU, DO NOT TALK TO MY PARROT!"

When the repairman arrived at Wanda's apartment, he discovered the biggest, meanest looking dog he had ever seen. But, just as she had said, the dog just lay there on the carpet, watching the repairman go about his work

The parrot, however, drove him nuts the whole time with his incessant yelling, cursing, and name-calling. Finally, the repairman couldn't contain himself any longer and yelled, "Shut plied, 'I'm a salesman for Preparaup, you stupid, ugly bird!"

To which the parrot replied, "Get him, Spike!"

See? Men just will not listen...

TWO GOLFERS A man, while playing on the front nine of a complicated golf course, became confused as to where he was on the course. Looking around, he saw a lady playing ahead of him. He walked up to her, explained his confusion and asked her if she knew what hole he was playing.

'I'm on the 7th hole,' she replied, 'and you are a hole behind me. So you must be on the 6th hole '

He thanked her and went back to his golf. On the back nine, the same thing happened and he approached her again with the same request.

'I'm on number 14, and you're still a hole behind, so you must be on the 13th hole.' Once again he thanked her and returned to his play. He finished his round and went to the clubhouse where he saw the same lady sitting at the end of the bar. He asked the bartender if he knew the lady. The bartender said that she was a sales lady and played the course often. He approached her and said, 'Let me buy you a drink in appreciation for your help. I understand that you're in the sales profession. I'm in sales also. What do you sell?'

'I'll tell you, but you're going to laugh,' she replied.

'No, I won't.'

'Well, if you must know,' she answered, 'I work for Tampax.'

With that, he laughed so hard he lost his balance and fell off the bar stool. 'See,' she said. 'I knew you'd laugh!' 'That's not what I'm laughing at,' he retion H, so I'm still a hole behind vou.'

The F'Word

When is @#\$% Acceptable?

There are only 11 times in history where the "F" word has been considered acceptable for use. They are as follows:

- 11. "What the @#\$% do you mean, we are sinking?"
- -- Capt. E.J. Smith of RMS Titanic, 1912
- 10. "What the @#\$% was that?"
- -- Mayor Of Hiroshima, 1945
- 9. "Where did all those @#\$% ing Indians come from?"
- -- George Custer, 1877
- 8. "Any @#\$%ing idiot could understand that."
- -- Albert Einstein, 1938
- 7. "It does so @#\$%ing look like her!" -- Picasso, 1926
- 6. "How the @#\$% did you work that out?" -- Pythagoras, 126 BC
- 5. "You want WHAT on the @#\$%ing ceiling?"
- -- Michelangelo, 1566
- 4. "Where the @#\$% are we?"
- -- Amelia Earhart, 1937
- 3. "Scattered @#\$%ing showers, my ass!" -- Noah, 4314 BC
- 2. "Aw c'mon Monica. Who the @#\$% is going to find out?"
- -- Bill Clinton, 1998
- 1. "There is no @#\$%ing way Trump will ever become President" -- Hilary Clinton 2016

and that's the @#\$%in' truth!

NIGHT LIGHT

A 90-year-old man goes for a physical. All of his tests come back with normal results.

The doctor says, "Larry, everything looks great. How are you doing mentally and emotionally? Are you at peace with God?"

Larry replies, "God and I are

tight. He knows I have poor eyesight, so He's fixed it so when I get up in the middle of the night to go to the bathroom, poof! The light goes on. When I'm done, poof! The light goes off."

"Wow, that's incredible," the doctor says.

A little later in the day, the doctor calls Larry's wife. "Bonnie," he says, "Larry is doing fine! But I had to call you because I'm in awe of his relationship with God. Is it true that he gets up during the night, and poof, the light goes on in the bathroom, and when he's done, poof, the light goes off?"

"Oh sweet Jesus", exclaims Bonnie. "He's peeing in the refrigerator again!"

FOR THOSE OF US WHO REMEMBER

(When we weren't politically correct) **Hollywood Squares**:

These great questions and answers are from the days when 'Hollywood Squares' game show responses were spontaneous, not scripted, as they are now that shows are mostly taped. Peter Marshall was the host asking the questions, of course..

- Q.. Paul, what is a good reason for "pounding" meat?
- A. Paul Lynde: Loneliness! (The audience laughed so long and so hard it took up almost 15 minutes of the show!)
- Q. Do female frogs croak?
- A. Paul Lynde: If you hold their little heads under water long enough.
- Q. If you're going to make a parachute jump, at least how high should you be? A. Charley Weaver: Three days of steady drinking should do it.
- Q. True or False, a pea can last as long as 5,000 years...
- A. George Gobel: Boy, it sure seems that way sometimes.
- Q. You've been having trouble going to sleep. Are you probably a man or a (Humor from Hollywood Squares con tinued on page 15)

Attendance Report

In June, 2017, SIR Branch #159 had 198 active members of which 120 were in attendance at Pardini's for the luncheon on the 8th. This represents 61% of the active membership. Of the 77 members absent, 41 were excused. Members are expected to attend the monthly meeting or to notify the Attendance Chairman when the wish to be excused. Three consecutive unexcused absences or six unexcused absences in a twelve month period constitutes a jeopardy to membership. If you are unable to attend a fu-

ture meeting, PLEASE call 447-5388 or send an email to DukMarshal@aol.com When you call or email please include your NAME and BADGE NUMBER

Remember our lunch count depends on YOU responding to your caller and if plans change notifying either Ron Travis @322-1898 or myself, number above by HIGH NOON of the MONDAY before luncheon or ASAP! Our callers begin making those calls on the Thursday-Sunday prior to the luncheon. Please do your part.
