The other day a blonde came up to me and asked how to spell "brange." When I told her and she got quite angry. Not the fruit, 'she shouted, the color!"

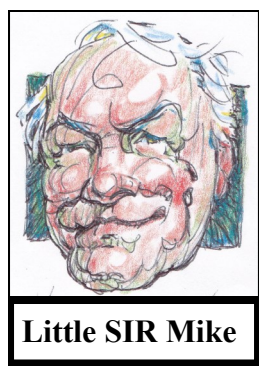

If you missed last month's luncheon you missed quite an experience. If you were there you know what I mean. In my spare time I often wonder just what a sardine must think just as they stuff it in those small cans. Now I know. Mea culpa, when I was asked if it would be alright to move the luncheon into the smaller room for one month I agreed. I didn't realize that there would only be one buffet line and it would take a half hour to get everybody served.

I gave you all an hour the next day to complain about it. Unfortunately, the memo was never sent so the complaining **(Big SIR continued on page 2)**

Big SIR Gary

Some days are more special than others. Birthdays of grandchildren, spouses, and even our own are times when we get our family together and celebrate. Anniversaries are special too, when we remember them. It is even a special day for me when I remember what I came into a room for, or why I opened the refrigerator. I find myself having to write a little note about what TV show I watched the night before in case my wife wants to discuss plot lines from something on PBS that I slept through. August the 7th is a special day in the British Commonwealth of Nations. The tiny print on my Corgis Calendar in my office says that it is Bank Holiday, Civic Holiday, and Picnic Day in Great Britain, Canada, Australia, New Zealand, and Prince George Island. People in the British Commonwealth get a day off. In the US we have a three day weekend just about every month. I am pretty sure that Jimmy Hoffa negotiated this while in charge of the Teamsters Union. **(Little SIR continued on page 2)**

Little SIR Mike

(Big SIR continued from page 1) time passed quietly and now it's too late. But think of it this way, many of you were wondering what it must be like to live in a submarine, and now you know. This month it is back to the palacial big room.

This month's big news is the installation of the Jim Whitmer bench at Riverside Golf Course. It is a spectacular tribute to Jim and Branch 159. You can see a photo of it in this edition of the Chanticleer. The bench was paid entirely from the donations of our members. Gratitude should be given to **Ron Wilson**, who championed the idea, to **Perry Huffman** who wrote the inscription, and to **Del Kerns** who installed the plaque. A special thanks goes to **Alan Baxter**, whose generous donation put us over the top. Be sure to see it in person when you get the chance. I am sure I am leaving out many of you who deserve acclimation for the project, if so, I apologize.

Thanks to **Rich Colby** for hosting Date Night at Lin's Fusion the Wednesday after the luncheon. It was good to see some new faces there and even some who came stag. We call it Date Night, but as with all our functions, you can bring your lady friends or come alone. Next month don't miss out.

Each month I get a form from our Membership Chair **John Crawford** that lets me know how our branch is doing. I am proud to say that our membership is up a little, figuring in several new members who have not yet been inducted because they have not been able to get to a luncheon. However, half way through the year, we are at 9 percent of our goal for guests. That's right, 9,- rather pathetic. With (Big SIR continued on page 3)

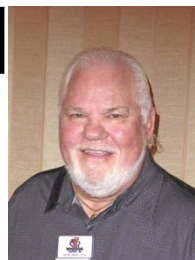

(Little SIR continued from page 1) Not so in the Commonwealth. Except for a few days off for religious holidays like Christmas and Easter, the Brits are busy working. For them, August 7th marks the end of summer. Kids go back to school the next day but on the 7th they party.

This made me think that while I have to continually check to see if I am "zipped up" growing older does have some perks. For most SIRs every day is August 7th. We are so lucky to have "Friends for Life" that we can golf, bowl, play cards, throw shoes, and who will not laugh when I miss another 3-foot putt. (At least not to my face) I can't think of a better group of guys to spend time with. I think as SIRs we have a duty to spread the joy to as many potential roosters as we can. The RAMP committee has done some things to increase membership. It stands to reason that once a person hears about what we have to offer they will be eager to join the barnyard. So, the task becomes getting the word out. And, it's here that all SIRs can help. We have some RAMP projects coming on board: Presentations at Senior Centers, Our Race day at the Fresno Fair, and the Whitmer Bench at Riverside golf course will get the message out of what we are and what we do. Yet, the real recruiter is each one of us. This month we will be printing extra copies of the Chanticleer. Take a few copies home from the luncheon with you. You can send them to a friend, neighbor, or drop them off at a strategic location where people congregate. If you go to church, ask the pastor/priest for a little pulpit time and hand out a Chanticleer along with a homely. You might just get a new friend and a free lunch.

Thank you again for filling out the Veteran's Survey. If you have not completed a Survey please do so. We need to make sure we have a data base to use for Veteran's Day in November as well as any (Little SIR continued on page 3)

New Members

Each month when we induct new members we will ask them to give us a little info about themselves and we will put that in the Chanticleer along with their picture. In a group with over 200 members it can be easy to get lost in the shuffle. So please, get to know the newest members, introduce yourselves to them at the next luncheon and help get them involved. Let them know that we consider it a privilege that they have chosen to spend some time with us.

(Big SIR continued from page 2) normal attrition, if this rate were to continue, we would be unable to sustain ourselves as a branch.

To put it into perspective, one SIR branch has had 139 guests in the last eighteen months. This is almost eight guests per month. Adjusting for the size of the branches, they are bringing more than twice the guests to their lunches. Please, bring a guest lunch this month, it is our lifeblood. You all have a friend, neighbor or relative who would like a free lunch. If you have no friends, I'm sure you can schedule a session with **Stanley Littleworth**, our house shrink- he's done wonders for me. Wait, those purple men are coming to get me again). Let's see you get out there and bring someone. There are branches that will be shutting down because of this and we shouldn't be one of them. We are strong now, but ... well you know.

Little Sir Mike has prepared a survey. Its purpose is to find out what the Branch Executive Committee can do in the way of luncheons, activities, or whatever, to better serve you and make your SIR experience more enjoyable. Please think about these things and, when you get the survey, take a few minutes and thoughtfully fill it out. We appreciate your input at any time.

I am going to cut this short. I see that it is almost 3:00 PM and this is cutting into my nap time. I think I'll pour a glass of warm milk, start "The Houswives of Atlanta" on the DVD and catch some zzzs.

See you all in August.

Nine Hole Golf:

Come out every Wednesday! Meet us at Airways Golf Course to play nine (or more) holes of golf with your SIR pals. We tee off at 10am. We do the front nine by noon. Ride or walk, your choice. Play the back nine as well if you like. Great guys, great times, and fresh air outside. See ya there, boys!

1. Know how to prevent sagging? Just eat till the wrinkles fill out. 2. These days about half the stuff in my shopping cart says, 'For fast relief.'

(Little SIR continued from page 2) future events. A copy is included in the Chanticleer and forms will be available at the luncheon.

This month's guest speaker is Mr. Richard Mann. Richard is the head Librarian for Fresno County specializing in "Senior Services" and heads up the Veteran's Resource Center. His presentation will focus on what services and resources the County Library has for seniors. Do you have a Library Card? If not, Richard will get one for you. Pronto. On the Spot!

Finally, the waters are calming a bit so now we can plan on taking our Canoe Trip on the San Joaquin River on Saturday, September 16th. Space is limited so contact Terry Byrne to reserve a spot. I promise that there will be no water balloon fights. Maybe.

Attention Ladies, if you are not getting the SIR-159 Chanticleer and would like your own email copy please send your email address to rcolby@comcast.net (Rich Colby) to get added to the email distribution.

SIR Poker Corner

Our next SIRs poker game is Tuesday, August 1. The Texas holdem poker tournament will be held at the home of Michael Levine. The game begins at noon. We will be following a different tournament structure one that conforms to casino rules. The buy in is \$20 with \$5 given to the host for lunch.

For more information call or text Michael at 559-250-4137. The address of the game is 877 East Woodhaven Lane, Fresno 93720. We are looking for people to host September and October games.

Attendance Report

In July, 2017, SIR Branch #159 had 199 active members of which 128 were in attendance at Pardini's for the luncheon on the 13th. This represents 65% of the active membership. Of the 70 members absent, 35 were excused. Members are expected to attend the monthly meeting or to notify the Attendance Chairman when the wish to be excused. Three consecutive unexcused absences or six unexcused absences in a twelve month period constitutes a jeopardy to membership. If you are unable to attend a future meeting, PLEASE call 447-5388 or send an email to DukMarshal@aol.com When you call or email please include **your NAME and BADGE NUMBER**

Remember our lunch count depends on YOU responding to

your caller and if plans change notifying either Ron Travis @322-1898 or myself, number above by **HIGH NOON of the MONDAY before** luncheon or ASAP! Our callers begin making those calls on the Thursday-Sunday prior to the luncheon. Please do your part.

For Ladies' Day (May & December) contact Shane Petersen @ 916-1821.

Roundtable had a discussion of one of the biggest “fake news” stories in American History. It seems that founding father Ben Franklin found the British to be rather reluctant in negotiations following the victory at Yorktown in 1782 to grant our new nation concessions at the peace conference in Paris. Franklin had achieved fame as a newspaper publisher and knew well the power of the press. He concocted a totally fake news story how the British were paying the Indians for the scalps of slaughtered men, women, and children on the frontier. He leaked the story to the British press who published it throughout Great Britain. The British public rose up in arms against their own government who quickly met American demands to avoid any more backlash from home. You can read more about it by going to <https://allthingsliberty.com/2014/11/propaganda-warfare-benjamin-franklin-fakes-a-newspaper/> Our next History Roundtable will be Tuesday, August 15th at 11:00

The History Roundtable

There has been a lot of talk of “Fake News” lately. With this in mind, and also the fact that July contains Independence Day, the History

AM at the Yosemite Falls Café on Blackstone just north of Shaw Avenue. Join us for a discussion on who was a better President: Andrew Jackson or Theodore Roosevelt. How would each one of them handle some of the pressing issues of today?

Sunshine Committee:

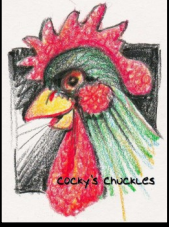

As we sweat it out together, things seem OK for the Branch. We are told that SIR Hank Gomar has gone to live with family out of town. We trust that he will be settled and doing fine at publication time. (I know, ... we miss that guy.)

Sir Mike Kilijian reports that he has returned home and is mending just fine after a recent surgery, and is doing well. Good news!

Word has reached our ear, however, that SIR Stanley Littleworth is in hospital. The cause is uncertain. The committee could not reach Carole for details by press time, but your concerns and support were conveyed by message. Update next month.

Till then, keep strutting, fellow roosters, and stay well in the barnyard!

Men Fall For This Scam 90% Of The Time
A new scam targeting older men:

Women often receive warnings about protecting themselves at [the mall](#) and in dark [parking lots](#), etc. This is the first warning I have seen for men. I wanted to pass it on in case you haven't heard about it.

A 'heads up' for those men who may be regular customers at Lowe's, [Home Depot](#), [Costco](#), or even Wal-Mart. This one caught me totally by surprise.

Over the last month, I became a victim of a clever scam while out shopping. Simply going out to get [supplies](#) has turned out to be quite traumatic. Don't be naive enough to think it couldn't happen to you or your friends.

Here's how the scam works:

Two nice looking, college-age girls will come over to your car or truck as you are packing your [purchases](#) into your vehicle. They both start wiping your windshield with a rag and Windex, with their breasts almost falling out of their skimpy [T-shirts](#). (It's impossible not to look.) When you thank them and offer them a [tip](#), they say 'No' but instead, ask for a ride to McDonald's.

You agree, and they climb into the vehicle. On the way, they start undressing. Then one of them starts crawling all

Rooster of the Month Duke Marshall with Big SIR Gary

over you, while the other one steals your wallet. I had my wallet stolen May 4th, 9th, 10th, twice on the 15th, again on the 17th, 20th, 24th, and the 29th. Also June 1st, 4th, 8th, twice on the 16th & 17th, and very likely again this upcoming weekend.

So [tell your friends](#) to be careful. What a horrible way to take advantage of us older men. [Warn](#) your friends to be [vigilant](#).

Wal-Mart has [wallets](#) on sale for \$2.99 each. I found even cheaper ones for \$.99 at the Dollar Store and bought them out in three of their stores. Also, you never get to eat at McDonald's. I've already lost 11 pounds just running back and forth from Lowe's to Home Depot, to Wal-Mart.

So please, send this on to all the older men that you know and warn them to be on the lookout for this **scam**. (The best times are just before lunch and around 4:30 in the afternoon.)

.....
The children in 2nd Grade began to identify the Life-saver flavors by their color:

Red.....Cherry

Yellow.....Lemon

Green.....Lime

OrngeOrange

Finally, the teacher gave them all HONEY lifesavers. None of the children could identify the taste. The teacher said, 'I will give you all a clue. It's what your mother may sometimes call your father.' One little girl looked up in horror, spit her lifesaver out and yelled, "Oh my God! They're ass-holes!" The teacher had to **leave the room!**

Whitmer Bench

Talk about a plan coming together... 7 weeks ago it was just an idea and here it is completed. On the 15th hole at Riverside Golf Course sits a beautiful memorial bench for Jim Whitmer, founder of Monday golf, and a headline for SIR Branch 159 for all the passing people to see. Heading up the project was Ron Wilson with assistance in plaque design by Perry Huffman, Rich Lewis in collecting the money, and Dell Kerns in installation.

Also, must add Keith Berry and his team at Riverside that donated the spot, the pad and the labor for the installation. Without your help, we could have been still swimming around in red tape. Thanks guys! I hope you will consider Jim's bench an asset for the golf course.

Finally, thanks to all the individual donors that jumped in so quickly with generous donations. Hope you can take a minute as you pass the 15th hole to sit on the bench and ponder the fine men that have passed before. See following picture of bench and plaque.
