WISHING YOU AND YOUR FAMILY A HAPPY EASTER

Spring has sprung, the grass has ris, be sure you know where your hands is!!

Put those hands to work and help us achieve two goals for our branch this year:

1–increase membership by a net of 10 members or +5%

You have done a fantastic job for the first 3 months bringing in new members, however we will be losing a number of members this month due to moving and health reasons. That means we need to continue to bring guests to lunch, giving them the opportunity to see the benefits of joining our branch.

2–get monthly lunch participation to 70% of members.

We are currently averaging 62% of members coming to our monthly lunch.

Let's try to increase participation by finding out why some members are not attending and correct the issue. Let your branch officers know what we can do to help increase lunch attendance as well as participation in our many activities. We need to hear from you if we are to correct any problems.

We are always in need of members who will step up to help our branch operate at peak efficiency. When you are approached to help, by serving on committees or to run for election to serve as a Director or Officer, please give it consideration.

Reg Rosander and his nominating committee will be asking you to think about helping on committees or to serve on the BEC. Ask them about the requirements and time involved to serve, you may find it requires less time and effort than you think. I have been in SIRs for seven years now and have met most if not all of you, and I know each and every one of you have the ability. Consider sharing your abilities with our branch and help continue making our branch one of the best in the state.

RESERVE THE DATE—MAY 9th

Don't forget to sign up for the "May Special Lunch" and bring your wife, special friend, daughter, son, Mom or Dad. The lunch is open to all, so come enjoy the food, good friends, and entertainment.

Send or give your reservation and check to our Treasurer, Bruce Corwin.

We have all heard the saying "the best kept secret". Let's not keep the secret any longer—spread the word and let others know about the fun they will experience and the friends they will make in branch 159.

BE A FRIEND AND BRING A FRIEND TO LUNCH

BIG SIR RICH LEWIS

Finally, the weather outlook is very promising, especially for the guys who enjoy our outdoor activities. The weather was great at Riverside golf course for the scramble, 60 players, WOW.

Last months speaker, John Alkire from the Big Fresno Fair, was great, enthusiastic and I could tell that he really enjoys what he does.

April's speaker will be Peterangelo Vallis who will tell us everything about wine, hope he doesn't check out our wine selection!!

Hey guys, our club really could use your help. We need a activity chairman since Ron Wilson needs to spend more time helping his wife. Also our nominating committee will be coming around to get members to assume leadership roles for Little Sir and the board of directors. If you interested search out the guys on the nominating committee and volunteer.

Remember to pay your assessment at the April luncheon, not to many haven't so please do it to keep our club the best branch in California.

A wise man who I know once said:

Be a friend and bring a friend to lunch.

SIR 159 History Roundtable Events

I have agreed to lead the continuation of the SIR History Roundtable discussions. We will be starting up again on April 16th. The meeting will involve having lunch at the Yosemite Falls Restaurant on Blackstone from 11:00am to 12:30pm or so. Our Topic for the month will be the founding, growth, and development of Fresno and the surrounding areas. So, bring your expertise or experiences to the discussion or come and listen to us as we pontificate.

In conjunction with the History Roundtable we have scheduled a tour of the Fresno County and Fresno Fair Museum for April 30th from 10:00am to 12:00pm. This will be open to you and your guest. This is a guided tour, so it is important to have a reasonably accurate head count, so the Fair knows how many guides to provide.

Please email me your intention to attend either or both events by April 12 at golemaster@msn.com.

Looking forward to discussing the past....

Gary Lemaster

NEWS in the Golfing Community

In March the days were growing longer and warmer. We started the month at Sunnyside for a double event shared with the other SIR branches in Fresno. In the scramble the team of Greg Gies, Mark Isonio, Dennis Schldundt and Ben Hager were 5 under par with a net 55 for first place. In the Individual stroke play Gary Morgan took flight 1 with a net 62 and Dennis Rich won flight 2 with a net 70. Flight 3 went to Bruce Corwin with a net 66 while flight 3 went to Rick Ransom with a net 70. And flight 5 went to Bob Lung with a net 67, with a 159 member, Guy Tulp in the runner up spot. Our second event was at Dragonfly where a 4Man 2best ball completion was coupled with a Ron Rich match play. In the 4Man2BB game the team of Brett Bayley, Gerry Fields, Dana Hamparzoomian and a blind draw beat 12 other teams with a with a 32 under par net 114 performance. The second round of our Ron Rich Match play was on tap for March 13 at Dragonfly. All eight matches were completed that day. Round 3 is scheduled to begin at Sherwood on April 4. Those 4 matches determine the flight winners who then move to the semi-finals at the end of the month. We then moved to Sunnyside where nearly 60 golfers scrambled all over the course. The team of Gary Morgan, Bruce Corwin, Earl Mederios and Ken Lindsay were 5 under par and had a net 58 to top the field. Our last event of the month was at Visalia's Valley Oaks where we played a 2Man best ball completion. The team of Brian Nicholson and Stan Scott took the field with a 15 under par net 57. April's monthly chairman will be Terry Byrne, 341-8776 or tjbyrne952@gmail.com assisted by Brett Bayley.
