LITTLE SIR BRUCE CORWIN'S MONTHLY MESSAGE

Hello Roosters and Happy St. Patrick's Day

Our Big Sir Dell is in the hospital as I write this note and we are hoping for his speedy recovery. Keep him in your thoughts.

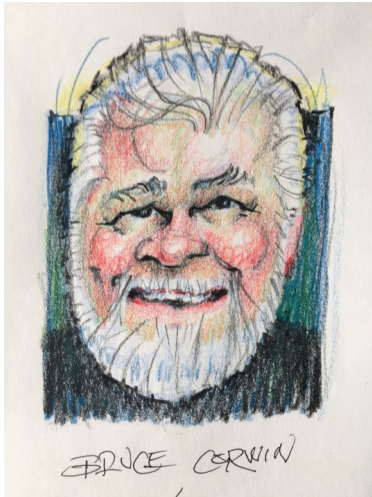

Our speaker for the March 12 luncheon is Dr. Chelsey Juarez, Assistant Professor of Anthropology, FSU who will be speaking on cold cases and forensic anthropology. We will also have a traditional Irish meal on the day.

Our March luncheon will also be the 300th meeting of our branch and we will be celebrating our 30-year anniversary at our lunch on April 9 so please plan to join us for these special events.

RAMP News – We will be working on a new program this year called “I am Doing My Part” which will focus on bringing guests to our activities and meetings as well as volunteering to help the branch. You will be hearing more on this as the year progresses.

We are always looking for new volunteers and, if you are interested, please seek out members of our nominating committee Rich Lewis, Brett Bayley and Richard Glover.

Also, if you have any thoughts, ideas or concerns: I ask that you let me know so that we can provide the best the club can offer to each of you.

PINOCHLE NEWS

In February we had to Cancel the game scheduled for the 14th since not enough players were available. On the 28th we managed to pull 3 players together to play a game of 3 handed cut throat pinchle. Bill Laudig and Steve Chase claimed to not know the game very well. Once I rehashed the guiding rules and highlighted the differences we got under way. As is often the case, the cards fell in Bill's favor for the first game and again fell in place for Steve in a close second game. We are wishing our teammate, Big Sir Dell Kerns a speedy recovery. We will meet in March on the 13th and the 27th.

The Pinochle group meets every 2nd and 4th Fridays of the month, 1 to 3:30 pm and meet at my place for now at 3434 W Menlo , just off of Sierra & Valentine. When playing double deck partners we manage to get in one game to 500 and if we have three players single deck cut-throat to 100 allows for three games. Just about everyone comes out a winner on the month. As November turns the corner our play dates should be the 8th & 22th. We are now inviting wives and SOs to join in. We currently have 10 Sirs members in our group. More are welcome. Contact me, Duke Marshall @ 447-5388 if you would like to join us.

NEWS in the Golfing Community

Halfway thru the month of February we shifted to a 9 AM shotgun start. As the days continue to grow longer and warmer the Vernal is just ahead. We started the month playing an Individual stroke play round at Riverside. Here are the flight winners: Flight 1 Gary Morgan net 3 under par 69: Flight 2 Jeff Shahbazian with a net 2 under 71: Flight 3 was Don Avakian with a 1 under net 72 : Flight 4 went to Gerald Peloian with a 4 under net 69: Flight 5 went to Mike Williamson with a 3 under net 70. Next we played a 4Man 2best balls game at Madera Golf & Country Club with the team of Bob Davis, Dale Samuelian, Gerald Peloian, and Hector Leyva sweeping the field with a score 120 or 18 under par. Moving across the 99 to Madera Muni we played a 2Man scramble in two flights. In flight 1 the team of Ben Tyson and Larry Hendrickson won in a tie break over Fred Martinez and Rich Glover with a net 60.5. In flight 2 the team of Joe Cabral and Steve Chase won with a low net of 60.1. We finished the month with a game of 2ManBB at Dragonfly where the team of Bob Davis and Bill Leavitt needed a tie-break rule to take out Ben Tyson and Pete Openshaw and the field with a 10 under net 63. Next year's calendar is posted on our website. Remember events are subject to change. Once again I would like to thank all of you who volunteered in 2019 and 2020. SIR is a volunteer organization and so is our associate golf club. All these weekly tournaments could not run effectively without **YOU**. The March monthly chairman Is Javier Rodriguez, essaygolfer@gmail.com or 706-1989 assisted by Myron Yoshimura.

9 HOLE GOLF

“Hey! Charlie Barrett here to remind you about how very pleasant (and inexpensive) it is to stroll (or ride) around nine holes of golf at Airways on a fall morning. It is positively charming, satisfying, and wholesomely relaxing (unless you chunk every swing like I do).

“Join us! The boys moved it up to 9:30 each Wednesday morning of the year, to give us a bit more time in the clubhouse. Affordable golf with invaluable wholesomeness, a doable pace, and priceless camaraderie.

“I will see you there!”

Whitmer's Warriors

We have good news from the IT department. The IT boss says our IT team has finally figured out how the Email List works and that we can Now add players to the weekly mailing list. If that less than competent Steve Chase told you in the past that he would add you and yet you didn't receive our mailing, we now can add you. Please [email Steve at steve.chase@att.net](mailto:steve.chase@att.net) and we will get you hooked up. Thanks for your patience.

SIR Minutes of Branch 159 Executive Committee February 13, 2020

The meeting opened at 9:45 am at Pardini's Restaurant. BEC members present were Little Sir Bruce Corwin, Secretary Vic Froehmer, Assistant Secretary Robert Scott, and Assistant Treasurer Brett Bayley, Roger Deal (Honorary Director), Gary Morgan (2020), Steve Chase (2021), Pete Openshaw (2021), and Thomas Simpson (2022). Excused from the meeting were Big Sir Dell Kerns, Treasurer Brian Nicholson, Director Ron Wilson, and Director David Barredo (2022). Therefore, a quorum was present (9 of 13).

The minutes of the January 9, 2020 luncheon meeting were approved as submitted.

It was announced that the anticipated attendance for the luncheon this day would be 130 roosters. However, Pardini's was told to prepare for 120. Our speaker for the day would be Matthew Grundy from Habitat for Humanity.

Next form 28 was discussed. Cash on hand was pronounced to be \$9,844.45. A vote to accept the report was passed unanimously.

In regard to membership information, today's meeting would be the 299th meeting of Branch 159. A report about form 27 indicated that we remain at 215 members by adding two new members while losing two members. Also, the membership report indicated the branch has 11 members that could be terminated.

The January 2020 luncheon attendance was declared as 130.

The next item was the announcement that the RAMP committee would be having a meeting immediately after the BEC meeting.

Little Sir Bruce Corwin then asked who would want "mike time" during the meeting. Members Pete Openshaw, Fred Martinez, and Duke Marshall said they needed to speak during the luncheon.

Since the 2020 member assessments were due, the BEC discussed what would happen if a member has not paid their assessment by the conclusion of today's meeting. It was decided that a list of delinquent members would be prepared and an effort will be made to contact with a few of the regular members before March 1, 2020.

The Branch 159 Standard Operating Procedures was the next item presented. The procedures dated 2-13-2020 were unanimously approved.

Two computer programs that have been considered for communicating with our members are Constant Contact and Member Planet. After a review of these two options, it was decided that we would continue to use Google Email with some minor use of Member Planet. This item was approved unanimously.

We will be celebrating our 30 year anniversary at our April 9th meeting. To prepare for the celebration, Kopi Sotiropulos, a local television personality, has been invited to today's meeting. He will record the group and present a report on his television show on April 7th.

Several new business items were discussed. The first was an announcement that our March 12th meeting would have a St. Patrick's Day theme. It was suggested we all wear something green.

Second, we learned that Director Dave Barredo had to resign his board seat. John Crawford offered to replace him on the executive committee for his remaining term. Both actions were approved unanimously.

Third, a SIRs advertisement in the form of a poem was presented. The BEC accepted the work but suggested that our logo be added and the appearance be refined. The poem will be placed on each table today so members can review and comment on the document.

Also, we now have a card we can hand out to potential new members. The meeting was adjourned at 10:18.

Secretaries Vic Froehmer and Robert Scott

From the Desk of our Area Governor

This past October, some 35 area SIR BEC officers convened at the ElksLodge here in Fresno.

The conference was divided with the morning time spent discussing three areas of concern. Those are: 1) Minority recruiting, 2) Intra-/Inter-Branch joint activities, and 3) Volunteerism. The later session focused on the officers' duties and responsibilities.

The initial kick-off reception was held at SIR Dennis Rich's home. SIR President Ed Benson, State Trainer Barry Leskin, and State videographer Chuck Joyce were met by branch officers from all of the Fresno area. We had plenty of food; wine was donated by Regional Director Rick Kindle and Big SIR Leland Nichols. Background music was provided by our own sax player SIR Randy Morris. "Thanks" Russ Conrad.

As your latest Area Governor, it is my responsibility to see that those concerns previously mentioned become reality. To that end Branch 159 has members SIR Carlos Fernandez, SIR Robert Yin, and SIR Rich Glover on the Ethnic Minority Recruiting Committee. We invite others to be a part of this group Just ask one of our members to help out.

At the first Area Governor's meeting, other branches were interested in working collaboratively on inter-branch activities. It'll start with the branches describing their available activities (with the important dates and times they convene). Other area branch members are invited to enjoin another branches activities. Jointly we will band together to attend functions, like the Castle Air Base museum tour and our yearly baseball trek to Chukchansi Park. Still I await our own branch offerings of events and activities.

Volunteerism has taken on a renewed dedicated focus. State SIR has designated May as SIR Volunteer Recognition Month. A new pin, "I'm Doing My Part" has been made, and each branch has been asked to spotlight those volunteers at their upcoming May luncheon. I have asked that each branch's Nomination Committee make a list of the titles of all available positions, a brief description of those duties, and an approximate time to perform those responsibilities. As an area we will reconvene on April 15th at Denny's (Herndon and Clovis; 8:30 am) to discuss each branch's list of positions, as well as the list of activities from each of the branch activities chairman.

Dine Out Nite on Feb. 19, 2020

Dine Out Nite on Feb. 19, 2020 at Texas Roadhouse was a success. 68 members signed up and we had a total of 63 show up.

Normal Date Nite hours are Social at 5:30 pm and Dinner at 6:00 pm. The restaurant asked us to come earlier to accommodate regular Dinner traffic. Most members arrived at 4:30-5:00 pm allowing us to get Dinner at Early Bird Prices.

Service was great. They had five servers to accommodate our large group. Everyone had a good time from the feedback we received.

Hector and I want to thank everyone for joining us to make our Dine Out experience a success.

Please put this in the monthly newsletter with pictures.

Thank-you,
Hector and Karyn Leyva

ARTICLE BY GARY BECKER

According to John Crawford, membership chairman. Sons in Retirement Branch 159 will celebrate its 300th meetin on March 12, 2020.

At the meeting each former Big Sir will speak for two minutes about heading Branch 159.

SIRs first meeting took place on March 28, 1990. It received its charter in April of 1991.

Ronald Travis may be the only living member of the original charter members. Jack Leonard, who was an original member died several years ago.

Branch 159 held its monthly meetings at the Ramada Inn from 1991 until 2014, then moved the meetings to Pardini's.

There is a medical distinction between Guts and Balls. We've heard colleagues referring to people with Guts, or with Balls. Do they, however, know the difference between them? Here's the official distinction; straight from the British Medical Journal: Volume 323; page 295.

GUTS - Is arriving home late, after a night out with the guys, being met by your wife with a broom, and having the Guts to ask: Are you still cleaning, or are you flying somewhere?

BALLS - Is coming home late after a night out with the guys, smelling of perfume and beer, lipstick on your collar, slapping your wife on the butt and having the Balls to say: "You're next, Chubby"

I trust this clears up any confusion. Medically speaking, there is no difference in the outcome; both are fatal.
