NOTES FROM THE BIG SIR

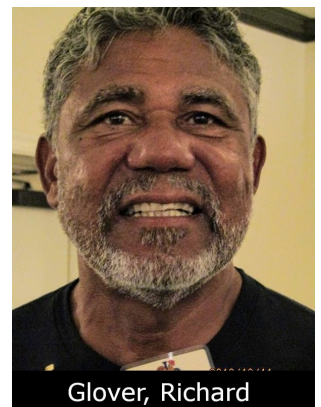

Dedicated to enriching the lives of our members through fun activities, luncheons and events while making Friends for Life

We are definitely into the heat of 2023, with some relief in sight. Looks like the weather forecast for August predicts temperatures mostly in the high 90-degree range, with just 4 day's at 100+. I hope that everyone is taking all necessary precautions to prevent any heat related illness. Remember to hydrate before any physical activity, because if you become thirsty, that is a sign that you've depleted your body fluids.

A brief reminder regarding Covid 19, which has made news lately due to the rise in infections over the summer months. Generally, the belief was that the virus would become inactive during the hot summer months. This has proven to be inaccurate, with infections on the rise lately. So, take whatever precautions necessary to minimize exposure to the virus, for yourself and those who you come in close contact with.

I recently had an opportunity to play golf at both The Links at Spanish Bay and Spyglass Hill, which were two of the most picturesque golf courses I've had the pleasure of playing. I highly recommend both courses. By the way, Spyglass Hill has been coined "Augusta West", because Trent Jones' work at Augusta National inspired his masterpiece: Spyglass Hill.

NOTES FROM THE LITTLE SIR

Here we are in August already. I really didn't get a chance to acclimate this summer or I would have tried to play in a tournament by now. I'm looking forward to playing again, but at the same time I don't want to over do it. I will get there.

So that you won't have to ask me at the luncheon, I'm feeling great. My energy is up and I'm able to get a few things done. I really feel better than before the medical problems, or possibly it's just my optimistic attitude.

The speaker for the September Luncheon had to withdraw and so instead we will do something I've wanted to do for sometime, a joke session. Bring your best joke and makes us laugh. As they say, laughter is the best medicine.

That's all for now friends,
Steve Chase

SIR Minutes of Branch 159 Executive Committee

July 13, 2023

The meeting opened at 10:15 am at Pardini's Restaurant. BEC officers present were Big Sir Richard Glover, Little Sir Steve Chase, Treasurer Bruce Corwin, Assistant Treasurer Garry Elliott, Assistant Secretary Brett Bayley, and Secretary Robert Scott. Directors present were Pete Openshaw (2023), Jerry Brady (2024), Mark Isonio (2024), Russ Conrad (2025), and Robert Ying (2025). Richard Glover proclaimed we had a quorum (11 of 12) and opened the meeting.

Next, a review of the June, 2023 meeting minutes was conducted. Steve Chase moved that the minutes be approved, and Bruce Corwin seconded the motion. The minutes were approved unanimously.

Based upon inquiries during the calls to members, we expect 88 attendees at our luncheon today.

It was then announced that Malcolm Gibson, a journalist, and his wife Joyce would be presenting our program today. They will be presenting information about their experiences in South Africa.

Next, the Monthly Cash Report (Form 28) was reviewed. Treasurer Bruce Corwin reported the financial activities during June 2023 involved several items. In regard to General Accounts, we received \$25 for dues, and general disbursements totaled \$178. The receipts for our June luncheon were \$1,960, and the luncheon expense was \$2,053. Consequently, the cash balance at the end of June was \$7,557.82. Steve Chase moved that the report be approved and Brett Bayley seconded the motion. The report was approved unanimously.

In regard to membership information, it was acknowledged that all BEC members had received the Membership Report and the Form 27 Report from Bruce Evans. It was moved that both reports be accepted as issued. The reports showed today will be the 340th meeting of our branch. Also, we have three members to be terminated for various reasons. In addition, the report listed two new members to be inducted upon BEC approval of this Membership Report. Steve Chase moved that both Membership Reports be approved, and Jerry Brady seconded the motion. There was unanimous approval.

SIR Minutes of Branch 159 Executive Committee

July 13, 2023

The first old business item was the scheduled luncheon programs for the remainder of 2023. It was announced that we have a full schedule until the end of the year.

The second old business topic involved the Whitmer Warriors memorial bench that is located on the 15th hole at the Riverside Golf Club. Gary Morgan announced that all repairs have been completed, and the bench is now safe and fully functional.

Third on the list of old business items involved Branch 159's participation at the Clovis Community Senior Resource program. Steve Chase announced the Clovis group organized the activity solely to connect individual seniors to various resources that could personally assist them. Since our reason to attend this program was to identify potential new members, the program's purpose and our goal were not compatible.

The first new business item concerned a notification from state SIRs about the existence of the SIRs Sons in Retirement Foundation, Inc. Bruce Corwin explained that the foundation was originally established to aid SIR members who are in need. Bruce specifically mentioned SIR members who had been directly impacted by the fires in Paradise, California.

The next new business item was the approval of the 2024 Branch 159 Executive Committee. The following is the information presented by Bruce Corwin and the nominating Committee.

Big SIR Steve Chase Little SIR Mike Parker Secretary Robert Scott Assistant Secretary Brett Bayley Treasurer Garry Elliott Assistant Treasurer Keith Lovgren 2024 Director Jerry Brady 2024 Director Mark Isonio 2025 Director Russ Conrad 2025 Director Robert Ying 2026 Director Pete Openshaw 2026 Director Butch Evans.

Richard Glover moved that the candidate list be approved, and Bruce Corwin seconded the motion. The list of proposed candidates for the 2024 BEC was approved unanimously. This list will be presented to the general membership for approval at the August luncheon meeting.

SIR Minutes of Branch 159 Executive Committee

July 13, 2023

The final new business item concerned streamlining the timing of the luncheon meeting. Items discussed included trying to complete the luncheons about 1:15 pm, asking microphone time participants to organize and limit their presentations, and allowing the speaker about 15 to 20 minutes for their information and questions. Big Sir Richard Glover will begin reviewing procedures for our next meeting.

The final action concerned microphone time at today's luncheon. It was determined that Robert Ying, Fred Martinez, Duke Marshall, and Brian Nicholson wanted to address the group.

There being no other business, the meeting was adjourned at 10:48 am.

Secretaries Robert Scott and Brett Bayley

Apparently exercise helps you with decision making. It's true. I went for a run this morning and decided I'm never going again.

My wife came home from Walmart complaining about the cashier being a royal bitch. I asked her if she was at the self checkout: And that is how the fight started

When I lost the fingers on my right hand in a freak accident, I asked the doctor if I would still be able to write with it. He said, "Probably, but I wouldn't count on it 😂"

**My wife asked if she could have a little peace and quiet while she cooked dinner...
So I took the battery out of the smoke alarm!**

WHITMER'S WARRIORS

Whitmer's Warriors is a group of people that play golf on Monday. Although it is officially a SIR event, it is open to anyone that wants to join us. On any given Monday we will have twenty or so players, and there is always room for more. I send out an email telling everyone where we will play and what our tee time is. If you would like to be added to my email list just email me and it will be done.

9 HOLE GOLF

"Hey! Charlie Barrett here to remind you about how very pleasant (and inexpensive) it is to stroll (or ride) around nine holes of golf at Airways on a fall morning. It is positively charming, satisfying, and wholesomely relaxing (unless you chunk every swing like I do). "Join us! The boys moved it up to 9:30 each Wednesday morning of the year, to give us a bit more time in the clubhouse. Affordable golf with invaluable wholesomeness, a doable pace, and priceless camaraderie. "I will see you there!"

NEWS from Your Golfing Community

On July 6th with temperatures in the mid to low 90's we were at Dragonfly GC with 37 golfers for a 2manBB event. The team of **Fred Martinez and Brian Nicholson** won by 1 stroke with a net 64. The closest to the pin on hole # 3 was **Jeff Shahbazian** at 7 feet 5 inches and on hole 12 **Dana Hamparzoomian** was closest at 4 feet 3 inches. The low gross for the day shot by club members was an 80 shot by both **Russ Anderson and Brian Nicholson**. Honorable mention goes to Richard Glover's son, **Jason, who shot a gross 75**. (Oh to be young and talented.)

On July 12th with the temperature topping out that day at 101 degrees we were at Airways GC with 47 golfers for a Flighted Individual contest. Flight 1 was won by **Fred Martinez** by 3 strokes with a net 65, Flight 2 was won by **John Shertenlieb** by 3 strokes with a net 65, Flight 3 was won by **Rick Pezzi** by 2 strokes with a net 63, and Flight 4 was won by **Rick Ransom** by 4 strokes with a net 62. The closest to the pin on Hole #7 was **Bob Hudson** at 5 feet 7 inches and on #15 **John Shertenlieb** was closest at 10 feet 9 inches. The low gross for the day was a 77 shot by **Gary Morgan**.

On July 20th with the temperature staying moderate and topping out that day at 101 degrees we were at Ridge Creek GC with 40 golfers for a Four Man Scramble event. The team of **Russ Conrad, James Branton, Dana Hamparzoomian, and Rich Morrisey** won a very close contest by 0.1 strokes with a net 51.3 (there were four other teams under net 52). The closest to the pin on Hole #3 was **Robert Ying** at 6 feet 2 inches and on #16 **Richard Glover** was closest at 10 feet even.

On July 27th moving north seeking lower temperatures we were at Pheasant Run GC with 30 golfers for a Cha Cha Cha event (kind of like 4man2BB). The team of **Duke Marshall, Loren LeBaron, Rick Pezzi, and Garry Elliott** won in a tie breaker with a net 131. The closest to the pin on Hole #4 was **Bid Wallace** with almost a hole-in-one at 1 inch and on #17 **Dana Hamparzoomian** was closest at 4 feet 5 inches.

The low gross for the day was a 78 shot by Javier Rodriguez.

Golf Flashes From SIR State for Area 19 (NOT Area 51)

Our August outing is fast approaching. We are headed for the cool clims of the central coast to play Avilia and Blacklake on the 21st and 22nd. This would require an overnight stay for both rounds. Again Golf Moose discounts are available for both courses. Contact me & mark your calendars.

For September we can plan on Gilroy golf course which is on Golf Moose at 2 for \$52 on the 18th .

The Sir State Team Championships are Aug. 17 or 18 at Haggin Oaks Alistair Mackenzie in Sacramento. We have two teams entered and a hopeful third in the works. They are currently looking for a "D" player, index 27.1 and above. If interested contact Butch Evans or Mike Moyle.

Also announced at the State level Sir Branch 116, will be hosting what use to be the "Summer in Reno" event from years past. It will be a 2 round event with 3 night stay from September 5 thru September 8, all arranged and managed by Br.116. Again the flier and registration form have been sent to you.

Finally for our SIR STATE Individual Championships, the Region 2 Qualifier was cancelled and those who had signed up are automatically into the finals at The Reserve at Spanos on Oct 5. The registration for the Individuals goes through Butch and me. If your interested remember this is flighted into 7 flights with champions in each flight. If you want in send me a check for \$75 made to Sir 159 Golf, I believe this covers Green fees, cart, range balls and prize fund. As I find out more I will be passing it along.

BOWLING NEWS FOR SIRs

From the Lanes in July

We are currently bowling on Tuesday starting at 1:00 PM. Of course, all you new SIRs are welcome to come out and join us in some fun. Several have told me they are interested. Plan to arrive by 12:45 for warm up time and to get set up. The cost is \$17 for the 3 games which I collect and pay the house. There is some loose change which goes into a small pot and at the last session of the month the bowlers with the High Scratch(HSS) & High Handicap Series(HHS) and High game(HSG) and high handicap game(HHG) will split the monthly pot.

We are rolling now. Everyone can check up on us by visiting the bowling page of Sir 159's website. Below is a short table of who had the best scores in July. When bowling we roll scratch games and a series, 3 games total. There is also a handicapping category for each of us. We use the difference between one's average and 240. We use 240 because that is what the Sir State Bowling organization is using. Nothing like a little friendly competition between friends.

We invite any and all SIR members to come join us - Tuesday, afternoons, @1 PM at Bowlero Lanes (formerly Sierra Lanes) at the corner of Blackstone & Sierra. Anyone interested, please contact Duke Marshall @ 447-5388 or just show up and we will get you started. Hope to see you there. Here are the past month's top results for each week.

Duke Marshall

Starting on August 15th a new year of statistics will begin to rebuild. Everyone starts from zero or 300. For the past 50 weeks of bowling since August 1, 2022 here are some accomplishments over the past year. It seems this years top achievers are the same guys over and over.
