NOTES FROM THE BIG SIR

Greeting my friends,

Can you believe it, it's June and getting a bit hotter everyday. With all the rain we have had the golf courses are in great shape, that's something to be grateful for. It seems like prices are slowly coming down which is nice. I'll say it again, "this is a great time to be retired".

We tend to think of SIR as it relates to golf, yet we have less than a third of our members play golf. Most of our members are members only for our luncheon. I've been told that those member joined because of our speakers but I think it is the feeling of being in a room filled with people you understand and can relate to. A room filled with friends. Before I joined SIR I had maybe 3 or 4 friends and now I look out over Luncheon and smile at how many friends I have.

When you are talking to someone about SIR remember they may just want someplace to have fun with a bunch of friends .

Enough for now,

Steve Chase

SIR 159 BIG SIR

NOTES FROM THE LITTLE SIR

SIRS:

Recently I contracted the latest variant of Covid and I let everyone know about it since it started up on a golf outing with the group.

Since then I have recovered quite quickly and (the point of this) I played golf at Sherwood; while there, I received some heart felt concerns from several members and it was very much appreciated.

I have asked around about our Sunshine committee and it has been shared that the person who called ailing members is himself or his family is not doing well at this time.

Further information is being asked for from the membership so we can follow up with this **person whose name** I do not have.

Michael Parker

SIR 159 LITTLE SIR

'When you love somebody, your eyelashes go up and down and little stars come out of you.'

(what an image!) Karen - age 7

'Love is when Mommy sees Daddy on the toilet and she doesn't think it's gross...' Mark - age 6

'You really shouldn't say 'I love you' unless you mean it. But if you mean it, you should say it a lot.

People forget.' Jessica - age 8

And the final one: The winner was a four year old child whose next door neighbor was an elderly gentleman who had recently lost his wife.

Upon seeing the man cry, the little boy went into the old gentleman's yard, climbed on-to his lap, and just sat there. When his mother asked what he had said to the neighbor, the little boy said, 'Nothing, I just helped him cry.'

SIR Minutes of Branch 159 Executive Committee

May 9, 2023

The meeting opened at 10:15 am at Pardini's Restaurant. BEC officers present were Big Sir Steve Chase, Little Sir Mike Parker, Assistant Treasurer Keith Lovgren, Assistant Secretary Brett Bayley, and Secretary Robert Scott. Directors present were Jerry Brady (2024), Robert Ying (2025), Pete Openshaw (2026), and Butch Evans (2026). Robert Scott proclaimed we had a quorum (9 of 12), and Big Sir Steve Chase opened the meeting.

Next, a review of the April 2024 meeting minutes was conducted. Brett Bayley moved that the minutes be approved, and Mike Parker seconded the motion. The minutes were approved unanimously.

Based upon inquiries during the calls to members, Pete Openshaw reported 91 members stated that they were planning to attend our luncheon today. Bruce Corwin told Pardini's to plan on serving 85 lunches.

Little Sir Mike Parker then announced that Pastor and counselor Pete Untalon would be presenting information about his life changing experiences. The subjects will include his troubled youth, service in Viet Nam, and employment as a pastor at the women's prison in Chowchilla.

Next, the April Monthly Cash Report (Form 28) was reviewed. Bruce Corwin reported a net loss of \$336 in our General Accounts primarily due to payment of our State Board assessment. However, we gained \$45 in our custodial accounts because our luncheon income exceeded our luncheon costs. Therefore, our cash balance at the end of April 2024 was \$9,946.88. Mike Parker moved that the report be approved, and Brett Bayley seconded the motion. The report was approved unanimously.

SIR Minutes of Branch 159 Executive Committee

May 9, 2023

Following the cash report, a lengthy discussion took place regarding the various forms we use to monitor the Branch 159 performance. It was decided that we would continue to utilize Form 28 to report our financial activities. Our treasurer will gather information needed to complete the membership information from the Membership Chairman's Form 27 report. The Form 27 report will continue to be utilized by our branch to determine our branch health and viability. The report will be issued prior to our BEC meeting each month. Finally, it was decided we would attempt to consolidate the information on our Monthly Membership Report on to our Form 27 report.

There were also questions and answers regarding (1) adding a place on our online application to allow applicants to enter their wedding anniversary date, (2) continuing to follow the Branch 159 Operating Procedures, and (3) establishing a Branch 159 historical document so our past leaders and operations will be available to existing and new members. The next question involved our existing file of past members who have been terminated from our organization. After some discussion, it was decided that we would not delete the file. Instead, we will preserve the file and carefully protect the information for historical purposes. Butch Evans proposed this idea, it was seconded by Brett Bayley. and it passed with a unanimous vote.

In regard to membership information, Form 27 indicated we now have 171 members which is 6 fewer members than we had at the beginning of the year. Our Membership Report revealed Gary Parnell has terminated his membership, and Eddie Espinoza is available for induction at today's meeting. In addition, we also learned that today will be the 349th meeting of our branch.

Under New Business, Brian Nicholson, our golf chairman, indicated that our golf financial accounts needed to be audited. Brett Bayley volunteered to do the audit. It was noted that we have submitted Form 65 to the State Sirs as required.

Microphone time at today's luncheon will involve Brian Nicholson, Duke Marshall, and Bruce Corwin.

There being no other new business, the meeting was adjourned at 11:01 am.

Secretaries Robert Scott and Brett Bayley

SIR Members

Just a reminder that we need an accurate lunch count so if you have not talked to your caller, you need to contact them or send a message to Pete Openshaw or Bruce Corwin regarding your lunch attendance. Thanks for helping us out.

Also beginning in January our lunch cost goes up to \$25 per member.

Thanks,

Bruce Corwin

What does Love mean to 4-8 year old kids?

Slow down for a few minutes to read this... 

A group of professional people posed this question to a group of 4 to 8 year-olds, 'What does love mean?' The answers they got were broader, deeper, and more profound than anyone could have ever imagined!

'When my grandmother got arthritis, she couldn't bend over and paint her toenails anymore...

So my grandfather does it for her all the time, even when his hands got arthritis too. That's love.' Rebecca - age 8

'When someone loves you, the way they say your name is different. You just know that your name is safe in their mouth.' Billy - age 4

'Love is when a girl puts on perfume and a boy puts on shaving cologne and they go out and smell each other.' Karl - age 5

'Love is when you go out to eat and give somebody most of your French fries without making them give you any of theirs.' Chrissy - age 6

'Love is what makes you smile when you're tired.' Terri - age 4

'Love is when my mommy makes coffee for my daddy and she takes a sip before giving it to him, to make sure the taste is OK.' Danny - age 8

'Love is what's in the room with you at Christmas if you stop opening presents and just listen.'

WHITMER'S WARRIORS

Whitmer's Warriors is a group of people that play golf on Monday. Although it is officially a SIR event, it is open to anyone that wants to join us. On any given Monday we will have twenty or so players, and there is always room for more. I send out an email telling everyone where we will play and what our tee time is. If you would like to be added to my email list just email me and it will be done.

9 HOLE GOLF

"Hey! Charlie Barrett here to remind you about how very pleasant (and inexpensive) it is to stroll (or ride) around nine holes of golf at Airways on a fall morning. It is positively charming, satisfying, and wholesomely relaxing (unless you chunk every swing like I do). "Join us! The boys moved it up to 9:30 each Wednesday morning of the year, to give us a bit more time in the clubhouse. Affordable golf with invaluable wholesomeness, a doable pace, and priceless camaraderie. "I will see you there!"

BEFORE WE TEE OFF MAY I JUST SAY

My handicap is _____. I'm not interested in hearing that you aren't playing to your handicap, and until I've seen you play a few holes I'm not interested in playing for more than a dollar nassau.

The score card contains the rules. I'll expect that you apply them as scrupulously as you would if I were watching you - because I might be.

Don't embarrass me by asking that I concede any of your putts. I will volunteer to do so, if in my judgment it is deserved.

Kindly refrain from telling me about your past performances on the course. The only round which interests me is the one we are about to play.

The following imperfections in my swing are well known to me:

Looking up	No follow through
Too fast a backswing	Bending left arm
Standing too far ahead	Stance too open
Standing too far behind	Stance too closed
Lunging at the ball	No pivot
Teeing ball too high	Left foot too far
Teeing ball too low	forward
Too much right hand	Faulty grip
Not enough right hand	Etc., Etc., Etc.

The above mentioned faults have been pointed out to me by a few former friends.

Concerning the 19th hole, allow me to say that I don't mind a friendly drink. If I win your money, I will buy you a drink. If you win, I will expect you to do the same.

If it's agreeable to me to engage in a return match, I will so indicate and if you conduct yourself according to the above suggestions, I feel certain the time will be soon.

Thank you for your forthcoming demonstration of courtesy and consideration.

Signed _____

Day trip golf outing for Sir Area 19 golfers.

Gentlemen,

1. Sorry I haven't been getting the monthly golf outing set-up, but medical issues have slowed me down. For June 17th I have found a two hour trip to Copper Valley Golf Club east of Stockton with a Golf Moose discount coupon available @ \$69 for one player with a shared cart & range balls. If you are interested and would like to go let me know at (559) 304-4439. I will need to know by May 9 so I can book the tee times on the 10th. Once again the general plan calls for carpooling from Fresno, arriving for a 10ish tee time, and returning to Fresno in time for dinner.

Call Duke Marshall at (559) 304-4439

Chairman Sir Area 19

BOWLING NEWS

We are currently bowling on Tuesday starting at 1:00 PM. We would love to see more SIRs out on the lanes with us having some fun. When the summer heat is upon us we are indoors where it is cool. Plan to arrive by 12:45 for warm up time and to get set up.

When bowling we roll scratch games and a series, 3 games total. There is also a handicapping category for each of us. We use the difference between one's average and 240. We use 240 because that is what the Sir State Bowling organization is using. Nothing like a little friendly competition between friends.

We pay at the Veteran's rate from \$5.42 per game. I will collect \$17 for the 3 games and at the last session of the month the bowlers with the High Scratch & High Handicap Series, and High Scratch & High Handicap Game will split the monthly pot 4 ways.

We are rolling now. It certainly would be nice to see more bowlers on the lanes with us. Anyone can check up on us by visiting the bowling page of Sir 159's website. Follow the Bowler Icon. You will find up to date statistics that are posted, as well as the next bowling date & time. Below is a short table of who had the best scores in May. Once again I invite all SIR members and guests to come join us - Tuesday, afternoons, @1 PM at Bowlero Lanes (formerly Sierra Lanes) at the corner of Blackstone & Sierra. For more info contact Duke Marshall @ 559-304-4439 or just show up and we will get you started. Hope to see you there.
