## MESSAGE FROM THE BIG SIR

Greetings from the far side,

It seems a lot of strange things have been happening around my place. A flashlight has disappeared for two days and then reappeared where it should have been the whole time.

The ceiling light in the guest room keeps come on by it's self. We hear someone walking up and down the hall in the middle of the night and there's been this ticking sound in the garage that for the life of me I can't find the source of. My house keeper is getting very nervous about all of this and is threatening to sleep at her daughter's. enough about this.

We made it to October and it's promise of cooler weather. I have to remind myself that there is something we called "Indian Summer" when I was a kid, and as I remember it can be damn hot. Somehow just the promise of cooler weather is enough to get me though.

I hope you are all well and enjoying your retirement, which SIR is all about. That first part was just to get you ready for Halloween.

With warmest regards,

Steve Chase

## MESSAGE FROM THE LITTLE SIR

This is what a king looks like in his final moments of life.

The scene was captured by photographer Larry Pannell, who took this photo in 2018.

"We found him lying in the grass, exhausted and unable to move. We were no more than a meter away from him when he died in the shadow of a tree. I dropped my camera, and we stared at each other, closing our eyes as if acknowledging the end of an era. I just wanted him to know that he wouldn't die alone as he struggled for breath. Then, a final sigh, his last breath, and he was gone. The king was dead.

Life is short. Power is fleeting. Physical beauty is temporary—I've seen it in lions. I've seen it in elderly people. Anyone who lives long enough will, at some point, become weak and very vulnerable.

Let us, therefore, be humble. Help the sick, the weak, the vulnerable, and above all, never forget that we too will one day leave the stage."

### Bio for Speaker

Mark Standriff is the Director of Beautify Fresno for the City of Fresno, a department created by Mayor Jerry Dyer in January 2021 with a focus on combining city resources with community-based cleanup and beautification efforts. Prior to his new role, he served as the City's Director of Communications and Public Affairs, a position he held under two mayors. He is also a recovering radio talk show host, working for over 30 years on-air in the broadcast industry.

Mark is active in his community, serving on the boards of the Community Media Access Collaborative (CMAC) and the Miss California Pageant. In his personal life, Mark is a theater professional with acting and directing credits in national touring companies and regional theaters, including the Good Company Players and Roger Rocka's, and has also taken the stage as a symphony narrator, opera clown, and ballet impresario. He recently graduated from the University of Toledo almost 45 years after first enrolling, is married, and has two adult children.

## **SIR Minutes of Branch 159 Executive Committee**

**September 12, 2024**

The meeting opened at 10:15 am at Pardini's Restaurant. BEC officers present were Big Sir Steve Chase, Little Sir Mike Parker, Treasurer Garry Elliott, Assistant Treasurer Keith Lovgren, Assistant Secretary Brett Bailey, and Secretary Robert Scott. Directors present were Jerry Brady (2024), Mark Isonio (2024), Russ Conrad (2025), and Robert Ying (2025). Robert Scott proclaimed a quorum was present (10 of 12), and Big Sir Steve Chase opened the meeting.

Next, a review of the August 2024 meeting minutes was conducted. Two revisions were made to the minutes that had been presented to the BEC. Robert Ying moved that the minutes be accepted as corrected, and Garry Elliott seconded the motion. The corrected minutes were approved unanimously.

Based upon inquiries during the calls to members, we found 84 members who stated that they were planning to attend our luncheon today. Bruce Corwin ordered 76 lunches from Pardini's.

Little Sir Mike Parker then announced that Dan Taylor, the Executive Director of the Fresno Athletic Hall of Fame, author, and former ABC30 sportscaster, will be presenting his perspective on sport activities in the Fresno area.

Next, the August Monthly Cash Report (Form 28) was reviewed. Garry Elliott reported the primary General Account expense was our State SIR assessment of \$435. In regard to our custodial accounts, our luncheon expenses exceeded our luncheon income by \$201. Therefore, our cash balance at the end of August 2024 was \$9,820.76. Jerry Brady moved that the report be approved, and Keith Lovgren seconded the motion. The report was approved unanimously.

The following agenda item concerned the membership reports. The Membership Report indicated that today would be the 353rd meeting of SIRs Branch 159. As of the end of August, we had 175 members. To date during 2024, we have inducted 19 new members but lost 22. At today's luncheon, we have an additional new member that is eligible to be inducted. Also, the approval of this report will include a vote to accept an additional candidate. Mike Parker moved that the Membership Report be approved, and Keith Lovgren seconded the motion.

**SIR Minutes of Branch 159 Executive Committee**

**September 12, 2024**

The motion passed unanimously. The Form 27 report was then reviewed. At our July luncheon, 42% of our membership was in attendance. This percentage is below our average monthly attendance. Garry Elliott moved that the Form 27 report be approved, and Robert Ying seconded the motion. There was unanimous approval.

Our next agenda item involved how we are to store our historical records. A report on this item will be given next month.

We then learned that the SIR organization annual meeting will be held on September 24, 2024. A report of the actions taken by the state SIR at the annual meeting will be reviewed at our October meeting.

During August, Russ Conrad and his committee sent 170 emails and 170 surveys to members requesting information that could help us improve our club. Russ reported that he received only 54 responses. There were some interesting findings. First, there were many suggestions for changes, but few volunteers to participate in making the changes happen. Second, it was determined that most of our members are not in favor of women attending our luncheons.

However, there were suggestions for new activities that would involve coed attendees. Third, it is clear that members value our luncheon speaker program. The results of the survey will be published in the October issue of the Chanticleer. Garry Elliott moved that the results of the survey be accepted, and the publication of the results be published in the Chanticleer. Mike Parker seconded the motion. The vote was unanimous.

Hector Leyva asked if he should pursue another golf cruise next April. The board noted the success of past cruises and told Hector to begin planning the event.

Microphone time at today's luncheon will include Duke Marshall, Hector Leyva, and Russ Conrad.

There being no other business, the meeting was adjourned at 10:38 am.

Secretaries Robert Scott and Brett Bayley

### **WHITMER'S WARRIORS**

Whitmer's Warriors is a group of people that play golf on Monday. Although it is officially a SIR event, it is open to anyone that wants to join us. On any given Monday we will have twenty or so players, and there is always room for more. I send out an email telling everyone where we will play and what our tee time is. If you would like to be added to my email list just email me and it will be done.

Brian Nicholson

### **9 HOLE GOLF**

"Hey! Charlie Barrett here to remind you about how very pleasant (and inexpensive) it is to stroll (or ride) around nine holes of golf at Airways on a fall morning. It is positively charming, satisfying, and wholesomely relaxing (unless you chunk every swing like I do). "Join us! The boys moved it up to 9:30 each Wednesday morning of the year, to give us a bit more time in the clubhouse. Affordable golf with invaluable wholesomeness, a doable pace, and priceless camaraderie. "I will see you there!"

## News for Area 19 Golfers

On September We had four golfers travel to the central coast to get away from the valley heat, Russ Conrad, Larry Hendricksen, Rich Neilson and myself. On Monday we met up at the Rancho Maria Golf Course in Santa Maria to play a round. I would say the course was a bit rough, I would give it a B-, however we enjoyed the game. That night we were joined by Hector & Karyn Leyva for dinner at Jocko's Steak House in Nipomo for a very good dinner and conversation.

Tuesday morning we teed off at Cypress Ridge in Arroyo Grande. I believe we all agreed that this course was in very good condition, giving it a solid A. Most of our round here was played under a high fog condition therefore a cool day before heading back to the valley heat. I will be out of action for the next couple months as I have now scheduled a hip replacement. Where to go next is the question. If you have suggestions let me know where & when and I will see if I can arrange an outing to coincide.

Duke Marshall

Area 19 Chairman

We are now bowling on Wednesday starting at 1:00 PM. September and corporate Bowlero brought us bad news again. They closed Tuesday mornings and that forced the two Tuesday morning leagues to relocate and they both choose Tuesday at 1:00 leaving us out to dry with NO lanes available.

Most of our bowlers said Wed. @ 1:00 was our best option. So we moved but since the last 2 weeks only Tom Simpson and myself have showed up. I am doing my best to keep this SIR activity afloat but without members joining us it is about to pass. We would love to see more SIRs out on the lanes with us having some fun. When the summer heat is upon us we are indoors where it is cool. Plan to arrive by 12:45 for warm up time and to get set up.

When bowling we roll scratch games and a series, 3 games total. There is also a handicapping category for each of us. We use the difference between one's average and 230. We use 230 because that is what the Sir State Bowling organization is using. Nothing like a little friendly competition between friends. We pay at the Veteran's rate from \$5.42 per game.

I will collect \$17 for the 3 games and at the last session of the month the bowlers with the High Scratch Series, High Scratch Game, High Handicap Series, and High Handicap Game will split the monthly pot 4 ways. We are rolling now. September begins a new scoring year. It certainly would be nice to see more bowlers on the lanes with us. Everyone can check up on us by visiting the bowling page of Sir 159's website. Follow the Bowler Icon.

You will find up to date statistics that are posted, as well as the next bowling date & time. Below is a short table of who had the best scores in September. Once again I invite all SIR members and guests to come join us - Wednesday, afternoons, @1 PM at Bowlero Lanes (formerly Sierra Lanes) at the corner of Blackstone & Sierra. For more info contact Duke Marshall @ 559-304-4439 or just show up and we will get you started. Hope to see you there. Below are the weekly best scores in each category.

## Subject: Survey Results and Call for Volunteers

Dear SIR 159 Members,

I hope this message finds you well.

We recently conducted a survey to understand how we can make our club more responsive to your wants and needs regarding club activities. Out of over 170 emails sent, we received 54 responses. While this response rate is lower than we had hoped, we deeply appreciate the feedback provided.

The board is committed to seriously considering all the responses. However, to bring about meaningful changes and implement the wonderful ideas shared, we need more members to step up and volunteer to oversee some of the proposed activities. We have no shortage of ideas, but our progress is hindered by a lack of volunteers.

If you are passionate about making our club a more vibrant and engaging community, we encourage you to get involved. Your participation can make a significant difference.

Thank you for your continued support and involvement.

Best regards,

Russ Conrad, Membership Chairman
