TRAMPAS TOPICS

April, 2007

A Nonprofit Public Benefit Organization for Retired Men Devoted to the Promotion of Independence and Dignity of Retirement.

Sayings of 2007 Big Sir, Floyd Skelton

Let's Have A Party! -- Time to sign up for "The Ladies Day Spring Dinner Dance" is running out. If you don't, you will miss a great time with fellow SIR members and their wives. An evening of good food, music and dancing is one of the best ways to make the "better half" happy. Please come join us for a good evening, and enjoy your SIR friends, as well as make some new ones. You can make reservations at the April meeting, or from the sign-up sheet in this issue of Trampas Topics.

Caterer Update: As most of you know, our caterer of 14+ years, Linda Roberts has moved on, and we are moving forward with the new caterer, Stan Gedeon, President of Corporate Cuisine. Talks with Stan, led by Attendance Chairman Jim Nachtweih, have been positive with Stan showing great flexibility and a willingness to work with us with menu selections, as well as pricing. As you will read elsewhere in Trampas Topics the April menu features Filet of Salmon (a Penne Pasta Alfredo for those that are not into salmon) Asparagus Tips, as well as a Spring Salad, and Dinner Rolls. Looks like a very good beginning.

Elks Lodge Update: We have been advised by Elk's Club management that there will be a rent increase for use of their facility effective June 1. The amount of that increase is yet to be determined. Dean Steichen, Big Sir Branch 8 (they also use the Elk's facility and caterer), and I made an appearance at the Elk's board Tuesday, March 24, and communicated that our members enjoy

their facility and the long-term relationship we've had. We also advised that the increase in rent would result in an increase in our members cost, and asked that they be sensitive to that as they determine the amount of the increase. Dean and I were well received, and hopefully the result of our visit will be positive.

2007 Budget Update: We delayed adoption of a 2007 budget until we had a better handle on the new caterer's pricing, and announced Elk's rent increase. As we are now close to finalizing those aspects, I've asked Treasurer Dick Chaffee to prepare a budget for the balance of 2007 based on our 'best guess' of those costs. Dick will present that budget to the April, Branch 116 Executive Committee meeting for consideration. An increase in member lunch cost, and re-instatement of an annual member Voluntary Contribution are possible.

Finally: Due to the above caterer and facility issues the 116 Executive Committee at the March meeting adopted a motion (consistent with good business practices) to appoint a committee to explore alternate sites for our luncheon meetings. Ben Smith, and 'Robbie' Robinson were appointed to this committee and are actively exploring same. Their initial report will be submitted to the April Executive Committee meeting for review.

The lunch and bridge group met on March 13th with 28 men enjoying a delicious lunch at Roundhill C.C., but only some average bridge

scores. **Ron Wohlberg** was high man with 4,800 points, followed by **Ben Yeraka** with 4,610, **Ali Aghaiepour** with 4,590, **Monte Hall** at 4,440 and **Dick Chaffee** with 4,180. If any of our new Sirs members would like to join our group for excellent lunches, some good bridge and enviable companionship, please give me a call. We have room for more players, and you don't have to be a "life master" bridge player to enjoy a pleasant afternoon with us. Give me a call at 925-376-5589.

Nine Hole Golf Results

Joe Ostler and Dick Chaffee

On Wednesday, March 7, we had nine players at Pine Meadows. Great weather and some good golf.

Low score was **Troy Powell** with a 39, second was **Bob Kinser** with a 42, third was **Joe Stralovich** with a 43.

Closest to the hole was again won by the club. No one hit the green so we saved some balls.

On Wednesday, March 21, 11 golfers played Diablo Hills.

Otto Rinkert won scoring honors with a 43. **Al Leschot** and **Stan Lowenberg** tied for second with 44s.

Dick Chaffee won closest to the pin on the 88 yard 4th hole. **Mel Gee** was second.

BRANCH 116 FISHING NEWS FOR MARCH 2007

All SIR members and guests are welcome and, indeed, encouraged to participate in fishing trips as well as attend the monthly meetings. Next meeting will be March 22nd at the Legend Sports Bar and Grill at the Diablo Creek Golf Course at 4050 Port Chicago Highway in Concord. Meeting starts at 8:30 am.

There was not a lot of fishing done in January and February. The most interesting adventure was an ice fishing trip to Lake Davis lead by **John Hayes** who was joined by **Joe Karg, Pete Gates, Paul Dubow, and Don Mittelstaedt**. These intrepid adventurers fished on Friday, February 9th in the afternoon and Saturday, February 10th in the morning, on the ice, in the RAIN!!!! Only one fish was caught, a pretty 3 pound rainbow caught by **Don Mittelstaedt**. In what may be a SIRS first, all 5 fisherman were from different SIRS branches. **Carl Moyer** reported a successful trip to Lafayette Reservoir catching 4 nice rainbow trout. He also ended his 2007 sturgeon drought by catching a 50 inch sturgeon near the mouth of Montezuma Slough. He credits the good luck to bringing along **Joe Karg**. While Carl has fished 10 times without a keeper sturgeon, Joe has over a hundred hours on the water without a keeper, and now believes he qualifies as a professional observer and good luck charm. Many of the fisherman attended the fishing and boating shows and expos occurring this time of the year. They enjoyed themselves looking at all the new boats and gear. The consensus was that the Sacramento show was by far the largest and best.

The outing to a Seminar in Lodi planned on March 24th has been canceled. A house boat ad-

venture on Lake Shasta with **Joe Karg** as fishmaster is scheduled for April 22nd through the 25th. A Day at the Races is planned for April 26th. **Bob Olson** is fishmaster. In May there are adventures to McSwain Reservoir, the Pitt River, Lake Almanor, trips to the American River for Shad, fly fishing for trout in the lower Sacramento, Norden/Soda Springs for trout. A family social at an Irish pub is planned for June. Quite a busy year ahead, the fish are in big trouble.

We would like to remind everyone that 2007 licenses are required, and the sturgeon rules are expected to change March 1st. At this time it appears that the slot limit will change from 46 inches up to 72 inches, to 46 inches to 66 inches. Also there is a proposed punch card limiting fisherman to 3 sturgeon annually. The punch card is planned to be free and available at many outlets.

If you want to hear more, please attend one of our meetings. Near future meetings will be March 22, April 26th, and May 24th. Meetings begin at 8:30am at the Legend Sports Bar and Grill at the Diablo Creek Golf Course at 4050 Port Chicago Highway in Concord. For further information, please contact **Terry Miller** (Big Fish) (925-686-9298;) **Dick Thomson** (Branch 116 Coordinator) 925-785-7600;) or **Romano Gnusti** (Treasurer/Secretary)(925-376-3313.)

Area 2 Computers and Technology Group

Phil Goff, Chairman
831-3692 philgoff@yahoo.com

Dick Curry, Asst. Chairman
376-5541 racorinda@pacbell.net

Thursday, April 19 – Digital Photography. Phil Goff, Branch 116, will present information about scanners and scanning techniques.

Ken Haley, Branch 171, will begin the session with a short demonstration of the slideshows he has created using Photoshop Elements. Then **Phil Goff** will lead a discussion about using flatbed scanners for digitizing photos, negatives, slides and other documents. We will have a couple of scanners on hand to show their capabilities. We will identify the various pixel resolutions needed to properly digitize various pictures and documents and suggest some unusual applications. Also we will demonstrate Optical Character Recognition software which is often associated with scanners.

Following the presentation on Desktop PC's, Dick Curry (Branch 171) will conduct an informative Computer Q&A session.

Our meetings are aimed at providing practical information for our SIR members and their guests. If you are a complete beginner or have extensive technical knowledge, you will find information of interest at these meetings. We keep things interactive and members of the audience are encouraged to share their experiences as we make the presentations.

Meetings of the SIR Area 2 Computers and Technology/Digital Photography Group are held the 3rd Thursday of each month (except June and December) from 9:30 to 11:30 a.m., at the Social Hall of the Walnut Creek United Methodist

Church, 1543 Sunnyvale Ave. (off N. Main, one block north of the Treat/Geary/N. Main intersection). All SIR members and their guests are welcome to attend.

\$ums In Retirement

The APRIL \$ums meeting will be held Wednesday 25 April at the Diablo Creek Golf course, Grill Room.

Our speaker will be **Dr. Richard L. Peterson** of Market Psychology Consulting group where he is a Managing Partner. Not only does Dr. Peterson have a medical degree he also has a degree in electrical engineering and has worked in the markets as a financial strategist and trader. Have you ever wondered what is your emotional risk tolerance for investing? What is your "money personality?" What are my strengths and vulnerabilities towards investing? Perhaps you are a closet hedge fund manager and did not know it or maybe you should be in deposits and not in stocks. Come and find out when Dr. Peterson will explain the emotions that go into investing whether that happens to be stocks, bonds or mutual funds.

The "financial Doctor" will be in on Wednesday 25 April so come and join us for your "financial physical."

Breakfast starts at 7am and the meeting will begin at 8am.

Regards, **Dave Munson**

Honoree of the Month David Harris

Born in Ohio. Moved to Southern California a couple years later. Moved into a house in Garden Grove, about three miles from where Disneyland would later be built. Yes, I walked to Disneyland the first week it was open.

In 1965, graduated from Orange Coast College with a degree in Mathematics, and took a job in a computer group with a research laboratory owned by Standard Oil. While sitting at the same desk, worked for three different companies. First, California Research, which was renamed Chevron Research Company. It was again renamed to Chevron Oil Field Research Company.

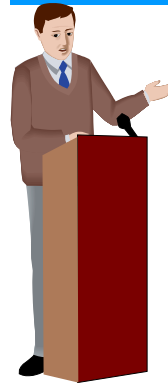

A month after starting work, married Jayne. Still married today, with three sons and one grandson.

Moved to Concord in 1974, to work at the Standard Oil of California corporate data center in San Francisco. In 1977, moved to The Hague, the Netherlands for nearly five years. In 1984, moved the now Chevron corporate data center from downtown San Francisco to San Ramon. Just got settled, and went back to Europe to move their data center in The Hague to London.

In 1994, decided to complete my full college degree, and attended the University of Phoenix at night. Graduated in 1997 with a BSBAM - Bachelors of Science in Business Administration and Management. With degree in hand, retired in April 1998.

Joined Los Trampas SIR in 2001. At the end of that year, became the Assistant Handicap Chairman of the golf club. At that time, all the documents and records were hand written with paper and pencil. Became the Handicap Chairman. Since then, helped convert nearly all the records and documents to computer records.

March Guest Speaker

Lyn Arscott

Dr. R. Lyn Arscott will speak at our Monday 16, meeting about “Global Climate Change.” Dr. Arscott is a consultant to the International Oil and Gas Industry specializing in Sustainable Development.
