## Sayings of 2007 Big Sir, Floyd Skelton

### October - A Special Month

This month has always been one of my favorites. The beginning of fall, perhaps the best weather of the year, in one of the best places on the planet.

As an ardent sports fan (Athletics and Raiders, with the 49ers and Giants not far behind) this time of year with the baseball playoffs and the beginning of the NFL season has historically been very exciting and enjoyable. Alas this year there are no Giants or A's in the playoffs hoping for a shot at the World Series, nor a realistic expectation that the Raiders or 49ers will reach the Super Bowl.

I do however recall, as a sales manager, at my company's national sales meetings when asked to introduce myself in the past I would start by saying: "I'm from where we play professional baseball in October and professional football in January, the San Francisco Bay Area". That was an exceptional time, and I was fortunate to experience it! I expect that will be the case again, sooner than later. Go 49ers' Go Raiders, Go A's, Go Giants!

Committee Chairmen It was at this time a year ago that I began contacting the twenty-five SIR 116 Committee Chairmen, to inquire not only about what their duties actually were, but to see if they would be willing to serve again in 2007. What I found was an enthusiastic desire to pitch in and make the organization the best it could be. That was a gratifying and enlightening experience. We are blessed with an abundance of people who are "make it happen" kind of guys. Thanks to all of you (Committee Chairmen and a significant number of additional

volunteers) for your hard work, and for making SIR Branch 116 the live and dynamic organization it is.

Luncheon Parking Issues We are looking for feedback on the extent of parking problems (loss of Quail Court parking), as well as suggestions (in addition to the obvious 'car-pooling') to relieve the problem. Please provide me or any of our Executive Committee members with your input on the subject.

*Floyd Skelton*

## Branch 116 Book Club

**Rich Black**

Think former Senator Mike Gravel is a long shot for his party's nomination in 2008? A long shot in 1860 was a former one term member of the House of Representatives who was a two time loser for the US Senate seat from Illinois. His competition was a distinguished Senator from New York, William Seward, the Governor of Ohio, Salmon Chase, and a respected western Republican from Missouri, Judge Edward Bates. Yet Abe Lincoln held his own at the Republican convention on the first ballot, gained votes in the second, and was nominated by unanimous choice after the third.

Bob Daily, Art Donaldson, Lytton DeSilva, Jack Butler, Bob Wolf, Jim Scott, Rich Black and new SIR Joel White discussed the convention and all that preceded it as they reviewed Part 1 of Goodwin's "Team of Rivals" on Monday September 25. Join them as they discuss Part 2 of the book, covering Lincoln's presidency, at the October meeting which is now tentatively rescheduled for 10:00 AM on October 29 at Bonanza Street Books in Walnut Creek.

## Area 2 Fishing Report

**Dick Thomson**

**Terry Miller**

All SIR members and guests are welcome to participate in fishing trips as well as attend the monthly meetings. The next meeting will be October 18th, at the Legend Sports Bar and Grill at the Diablo Creek Golf Course at 4050 Port Chigago Highway in Concord. Meeting starts at 8:30 am.

Since the last newsletter, SIR fishermen were busy. **Jack Waddell** made a trip to Los Vaqueros for 2 trout and a 10 lb striper. **Dick Thomson** made several unsuccessful trips for salmon, but getting some nice ling and rock cod when the boat changed methods. Others trying for salmon were **Craig Walton, Jack Helbert, Harry Sherinian, and Joe Karg**. This has been a sadly unproductive year for salmon. Some members changed their focus to fishing the bay for halibut. **Dick Thomson, Joe Peterson, and Craig Walton** made 3 trips scoring several small keeper halibut each trip, with a 10 pound topping the list. **John Hayes and Carl Moyer** were less successful, getting only shakers on their trolling attempt. Dick and the gang trolled on one trip, and drifted live anchovies on the other two outings.

An event surpassing everyone's imagining happened when **Joe Karg** caught a keeper 48 inch sturgeon fishing with **Carl Moyer**. Joe is a legend

**Joe Karg & Sturgeon**

for unsuccessful sturgeon tries, having spent over 200 hours trying without a keeper. Joe used his new found luck to catch 2 nice ling cod, and a nice cabezone fishing on the ocean with Carl. **Joe Peterson** caught that one magic day when the wind wasn't blowing in the delta to catch several keeper stripers. Joe also fished with **Carl Moyer** on the ocean for limits of very nice rockfish. **Craig Walton** fished the delta very successfully, catching

and releasing a lovely 34 inch striper while trolling. **Dick Thomson** caught 5 mackinaw trout in Lake Tahoe. **Carl**

**Moyer** had a great day fishing for albacore tuna. The 5 man crew landed 23 albacore to 25 lbs., and could have caught more, but stopped when both fish boxes were full. Carl made a very bouncy trip to Duxbury reef for salmon to no avail, but has been very pleased with 5 other trips on the ocean for rockfish, ling cod, and cabezone. **Bill Hooy** and Carl trolled and bait fished the delta for a great many small stripers and no keepers. Several members who planned trips for trout in the mountains cancelled their plans due to low water.

The salmon season with few exceptions is very poor. The size limit is 20 inches, limit of 2 fish, and no silver salmon may be kept. Silvers have white upper gums, and there are a lot of them this year. Halibut in the bay is a bit better with 5 under-sized caught for every keeper, and keepers coming a bit more often. In general, this year has been a poor year for us fisherman, with low water inland, big winds locally, and high angry water on the ocean.

Upcoming events are: **Craig Walton** leading a trip to Lake Almanor October 21 – 25; various ocean salmon outings, **Dick Thomson**, fishmaster; and a striper/salmon trip to the delta, **Terry Miller** fishmaster.

For further information, please contact **Terry Miller** (Big Fish) (925-686-9298); **Dick Thomson** (Branch 116 Coordinator) 925-785-7600; or **Romano Gnusti** (Treasurer/Secretary)(925-376-3313.)

## Honoree Selection

Jack Bevis

### Conrad Robertson — Honoree

Conrad was born in Tampa, Florida. His parents moved to Mobile, Alabama when he was two years old. An only child, he attended grammar school and junior high school there. His parents relocated to Oakland in March of 1945 while he was finishing the school year and staying with his grandmother. He attended Piedmont High School for four years and graduated in June of 1949. He then attended the University of California for one year before transferring to Armstrong Business College in Berkeley. He received a B. A. in Business Administration in 1953.

In May of 1954, Conrad married a girl he met in college – Jackolyn Thorne. They have two daughters, a son and 5 grand children. Their first home was in southern Alameda County, and then they moved to Moraga in 1964 where they still reside

After college graduation, Conrad went to work for Bank of America as a Teller Trainee. He served in various positions in several branches before transferring to the Computer Systems Department in 1964. He had a variety of programming and systems development assignments including the management of the Savings Application and the responsibility of the computer conversion of the Bank's General Ledger.

As the Bank was continuing its effort to “downsize”, Conrad was offered a generous “package” to take early retirement in October of 1986. He decided to accept the offer and has enjoyed nearly 21 years of retirement.

The game of bridge has been a highlight of his since retirement. Playing on a regular basis he became a Certified Bridge Director in 1993. This allowed him to take about a dozen cruises on various cruise lines teaching and directing bridge. These cruises were usually of 10 to 14 days duration. There was one nice one, however, of 34 days duration to the South

Pacific. He became a Life Master in 1992 and is currently a Silver Life Master with just under 2000 Master Points.

Through his association with David Geary and several others, Conrad was introduced to SIRs in 2000, and has enjoyed seven exciting years with SIRs. His primary activities with SIRs have included the formation of a SIRs Duplicate Bridge group that meets once a month. In addition, he has served as assistant treasurer for the golf group for the past several years.

He looks forward to many more years with the SIR organization.
