SIR Branch 35 New Member Welcome Letter

Welcome to SIR Branch 35!

The Mission of SIR is to enrich the lives of our members through fun activities and events - while making friends for life.

The monthly luncheon meeting is the place to meet with fellow members and make new friends. The agenda is set up to inform you of ongoing business and to educate/inform/entertain you on a current topic with an invited speaker. We look forward to your regular attendance at our meetings. The Attendance Chairman sends out a reminder email a week before each monthly meeting. Please notify him if you will not be able to attend the next meeting, as the Branch must provide an accurate lunch count otherwise we will be obligated to pay for excess lunches. If you will be gone for an extended period of time please notify the Membership Director so your status can be changed to avoid your having to call in or email each month.

Each member is assigned an identification number, which appears on his stick-on badge. A new badge is issued each month when you check in for lunch at the cashier's table.

You will enjoy SIR most fully by participating in the many club activities and by volunteering to serve, especially in areas where you have experience or a personal interest. As a new member you will most enjoy yourself by assimilating into branch activities as quickly as possible. Wives or significant others may participate in any activity. To facilitate assimilation you will initially be part of the Red Dot committee. This committee will consist of new members like you. The Head Red Dot will guide and may periodically task you to help with ongoing branch needs. This process will help you meet other members while you are performing a needed task.

As an active member, you are encouraged to sponsor your friends for membership if you think they would enjoy SIR.

Congratulations! You are now an Active Member of SIR Branch 35.
