SIR Branch 35 New Member Spouse/SO Letter

Dear

application for induction into SIR Branch 35 at our next regular luncheon meeting has been approved.

As his spouse or significant other, we would like you to know that;

- The Mission of SIR, founded in 1958, is to enrich the lives of our members, through fun activities and events - while making friends for life.
- We meet monthly to socialize, have lunch and listen to an interesting speaker. Our members engage in organized activities to include; golf, bowling, hiking, book swap, travel, bocce ball, bridge, singing, wine tasting, dining-in and computer club.
- All of our activities are co-ed, so spouses or significant others (partners only) are invited to participate.

Two of the most popular activities that we enjoy with spouses are our summer barbecue in July and our holiday luncheon in December.

These are just some of the activities available to our spouses and other guests. We invite both you and Peter to join us for these special events. We know from past history that the SIR Branch 35 experience will be enjoyable for both of you, and we are looking forward to Peter joining our ranks.

Best regards,

Paul Schutz
