– NEXT MEETING –

3rd Wednesday, March 16, 2022
Breakout Rooms 11:45am
Business 12:30pm, Speaker 12:45pm
VIA ZOOM MEETING
 Zoom instructions will be sent via
 email before the meeting.

Speaker: *Kenneth P. Vickery, PhD.*

Topic: *Many Africas – Continent of Contrasts*

To many in the West, Africa has often seemed to be the Lost Continent—"lost" in two senses. The first would be lost from view: Many in the west simply don't hear much or know much about the place and its past. The second would be "lost" in the sense of hopelessly lost: What people in the west do hear seems overwhelmingly negative,

dominated by poverty, disease, disasters, violence, and tyranny.

Dr. Kenneth P. Vickery is Associate Professor and Director of Undergraduate Advising in the History Department at North Carolina State University, where he has taught for almost 30 years. He received his B.A. degree with Phi Beta Kappa honors at Duke University and went on to study sub-Saharan African history at Yale University, where he earned his Ph.D. In 1993, he was awarded a Fulbright fellowship and served as a Fulbright Visiting Associate Professor in the Department of Economic History of the University of Zimbabwe in Harare.

Vickery has a useful set of stories to tell – historical stories from the continent from the past millenium. He starts with his own story – a young graduate student, hitchhiking from Nairobi to Arusha, and collecting stories from a man kind enough to pick him up and from the people he encountered on the trip. He found "people with stories, intertwined with the stories of their ancestors," and was convinced that there was a life's work in collecting these stories.

The Big Sir Says . . .

March 2022

Boy it's cold outside tonight and tomorrow 38 Branch 35 golfers tee off at The Golf Club at Moffett Field starting at 9:30 when it's supposed to be 42 degrees. And I thought I came to the Bay Area for its year-round gorgeous weather and the friendly disposition of its bright and talented people. Oh well, as the song says, "the times they are a changing" at least for the weather.

Speaking of changing times, if all goes according to plan Branch 35 will hold its first in-person luncheon meeting in 26 months at the Elks in Palo Alto. We are now on the Elk's calendar for 11:30 on April 20th. Perhaps we should start earlier or go later to give us all a chance to get caught up to date. Let me know your thoughts about a longer gathering. The catering staff at the Elks tell me that they recommend circular tables seating 6 each for social distancing and 20 tables judiciously spaced around the room. That means that we may be limited to the first 120 members who register when we open on-line registration in March. Watch your inbox for emails from me and stay tuned for the details.

Branch 35's leadership team is continuing to be singled out by State SIR. In 2020 we won the "Zoom" award for using Zoom to bring our members together. Other branches can't believe we average around 100 members monthly at our branch zoom meetings. The credit goes to our Tech Team led by **Richard Blackborow**, Director of Technology. More recently we have been recognized as one of the first branches to submit "on time" our financial audit, done by **Gerry Feeney**, and all other State of California required reports submitted by our Secretary **Jim Quillinan** and our Treasurer **Jim Narva**.

Great organizations require creative and effective leadership. We are fortunate that so many of our members have successfully led their organizations in the past. Branch 35 continues to need you to volunteer a few hours of your valuable time monthly to make SIR a better experience for us all. To the over 90 volunteers who do that today I say, "Thank You, Thank You". To the rest, I say "Join Us" this year.

In these stressful times we should remember to reach out to old friends both in SIR and in our larger communities. Remember the simple mission of SIR is "to enrich the lives of our members through fun activities and events while making friends for life." Have you called a friend today who you haven't seen in a while? Take the time to reach out and say, "Hi." Invite someone to our next zoom meeting to hear another excellent speaker on February 16.

Always,

Andy

You Can Make Branch 35 Better

We are thankful for the way our branch has continued to grow during the pandemic despite not being able to meet in person. Your experience and skills are needed to help us continue to grow.

Opportunities are everywhere in SIR Branch 35 from participation in our many activities to the nearly 100 volunteer positions that make our activities function effectively. Many involve only a few minutes while others may require an hour here or there. One of the beauties of our all-volunteer organization is that **when everyone does a little, very few must do a lot.**

We are always looking for members to grow the branch and we have an opportunity for you to grow in SIR. To release your imagination, contact our Nominating Committee or any member of the Branch Executive Committee (listed on the last page of Trail Tips).

We will help you find a place to engage, grow and develop our branch.

Stan Barkey- Nomination Committee Chair,

Ken Jones, Larry Low and Peter Wong – Committee members

This activity includes tasting and grading wines at member's homes. Everyone brings a wine to taste. We have had three events so far which have been fun and successful. Contact me at alangaudie@yahoo.com to join or for further information.

BOOK CLUB

JERRY BELDEN 650-322-1391
jerry@gbeldenlrc.com

The Book Club is an activity where the members read books and then meet to discuss the content.

For our February 9 meeting, we read "The Bakers Secret" by Stephen Kiernan. The Baker's Secret takes place in a small coastal village in Normandy on the eve of D-Day. The Germans occupy the village and have been ruthless in their persecution of Jews and anyone who disobeys them. Emma, who is just 22 years old, has become the town's baker after her mentor, Ezra, was shot by the Nazis. She takes great risks by establishing a clandestine trade network that helps the villagers survive. The book was well received and criticisms were minor.

March's book: "The Last Flight" by Julie Clark

Finally, just a reminder that our entire reading list can be found under the "Extras" tab on the home page of our Membership Website (login is required).

BIKING

GORDON TONG 408-242-0557
gordy6850@gmail.com

2nd Tuesday— March 8, 2022, 11:00 AM

Special Note: For the months of March through June, 2022, SIR Branch 35 monthly bicycling rides will be on the SECOND TUESDAY.

Wives and guests welcomed; helmets required and face masks optional but read latest CDC guidance below:

<https://www.cdc.gov/coronavirus/2019-ncov/index.html>

Coyote Hills/Alameda Creek – Niles/Fremont

Ride: We will begin the ride at the Coyote Hills Park and continue on the Alameda Trail to the quaint town of Niles where we will have lunch at a downtown sandwich shop. The biking trail is paved and generally flat (except at the start there are some gentle rolling hills). The trail is approximately 9 miles each way, with an optional 1-mile loop of a scenic view of the Bay (total ride of 19-21 miles depending on where you park).

Directions: Take Highway 101 North, exit on Highway 84 across the Dumbarton Bridge past the toll booth, take the first exit, Paseo Padre Parkway. Turn left and go one mile to Paterson Ranch Road; turn left. This is the entrance to Coyote Hills Park (there is a small sign). Go 1/2 mile to the park toll booth/parking ticket machines (\$5 per car or use your East Bay Regional Park District season pass). Continue another 1/2 mile over several speed bumps to the park office and museum; park there.

If you prefer, take I-880 North and exit on Highway 84 West. Exit on to Paseo Padre Parkway and turn right. Proceed to Patterson Ranch Road and turn left.

Optional FREE Parking: There is a parking lot on the corner of Paseo Padre Parkway and Paterson Ranch Road (on your immediate left). Many of the riders will park here and ride 2 miles on a paved path into the park.

If you plan to ride or have questions, please contact Gordon Tong at 408-242-0557 or gordy6850@gmail.com. Hank Bottino at (650) 207-4320 or bottinoh@comcast.net will be my biking group co-leader.

Every Friday, 10:00 a.m. to noon. Guests are welcome.

Location: Bocce Ball Courts (2) near the Tennis Center at CUESTA PARK, Mountain View. Parking for the Bocce Ball Courts is located just off Cuesta Dr. (turn at the signal light at the corner of Cuesta and Montalto, approximately midway between Miramonte and Grant Road).

On Friday morning February 18, 2022, this was the group of Sirs that played Bocce at Cuesta Park, MV. In front is our guest, Hedy Yu, precious daughter of our photographer, Min Yu who was briefly watching us play. Players are (left to right): Ed Austin, Dave Asplund, Bob Taggart, Alan Gaudie, Hank Pastorelli, John Richardson, Dave O'Hara, and Bob Roy. We now have about 25 SIR members on our active player list with anywhere from 6 to 16 playing on Friday mornings, depending on weather, etc.

GOOD NEWS:

1. **Casey William**, South Parks Supervisor, Parks Division, Mountain View (650-903-6326, Ext. 6279) is now planning to renovate the Bocce Courts at Cuesta Park: First roughening up the surface, redistributing material and adding new oyster flour, adding a bit of moisture and rolling it with a weighted roller to modestly weight down the material. He may have the drain lines under the surface layers opened up. This work should start by the end of March and be finished by the "beginning or end of April."

2. **Wayne Dexter** is in close contact with the key person at the Hillview Community Center, Los Altos, and now reports that progress is on schedule and facility construction is proceeding. While completion dates are not firm yet, as the key issue of correcting the side railing is pending, Wayne is now forecasting that we can be back at the grand and amazing new Community Center in the late Spring playing on Friday mornings!

HIKING

PETER THURSTON 650-776-5713

**Hidden Villa Hike****SIR Hikers on Creek Trail**

On February 25th eighteen SIR hikers, significant others, and guests joined us for the Hidden Villa Hike, including four first time SIR hikers and three women. The sunny winter weather was perfect for hiking. This photo shows our hikers on a bridge across Adobe Creek as we returned to the farm.

The hike began at Hidden Villa farm. We hiked up on the Creek Trail and the Ewing Hill Trail to the top of the Adobe Creek watershed. We continued over to Windmill Pasture along the Black Mountain Trail to the top of the Rhus Ridge Trail for a scenic lunch stop. We returned to the farm on the Hostel, Grapevine and Creek trails.

The hike was about 5.6 miles with 900 feet elevation gain. We were rewarded with many scenic views, sights of a large variety of spring wildflowers, the sounds of running water in Adobe Creek, and visits with the Big Horn sheep on the farm.

Branch 35 Monthly Hikes on 4th Friday

Our monthly hikes are designed to encourage spouse and guest participation. There will be many opportunities to socialize and to get to make new friends. Pack a lunch and we will stop at a scenic spot to eat, and to enjoy nature.

Branch 35 members, spouses, or friends who have signed the Covid-19 Waiver and are able to enjoy a moderate hike of up to 5 miles and up to 1,000 feet elevation gain are invited to join us.

Save the date for our next hike on March 25th, the 4th Friday of the month, at 10:00am. We plan to enjoy the extensive vistas along the Ridge Trail, the Ancient Oaks, and find a wide variety of our spring flowers.

To join our hiking group and to get the details, send an email to Peter Thurston, peterthurston@gmail.com.

GOLF

JOE CIONI, GOLF CHAIRMAN

516-448-6721, jacioni@yahoo.com

**GOLF INFO****Alan Pye Cards the Round of the Month**

New member **Alan Pye** is the "Round of the Month" winner for February. On the 17th he was 8.7 strokes under at San Jose Municipal. Well done, Alan. This might even turn out to be the round of the year!

Rittweger's Unusual Winning Strategy at Deep Cliff

Eclectic tournaments (where you play the same course three times and only count your best score on each hole) are often seen as favoring higher handicap players who are capable of getting net pars or birdies on most holes but can't do so consistently. The conventional wisdom is that you'll never win an eclectic if you don't play all three rounds. **John Rittweger** turned that notion on its head, winning the Palmer Flight #1 even after skipping the second round. Amazingly, he didn't finish first in either round he did play in, but through the magic of the eclectic format his final net score was 8 under par and he edged **Chris Weberg** via the tie-breaker process to win the flight.

One Swing Was Enough for Joe Cioni

With all the emphasis on pace of play you'd think more SIR golfers would embrace the option to speed up their round by holing their tee shots on Par 3s. **Joe Cioni**, our Golf Chairman, knows we all learn best by example, so he graciously demonstrated his time-saving hole-in-one technique on the 2nd at Los Lagos on Jan. 27. He used a 13 hybrid (similar to an 8 iron, he says) to ace the 125-yard hole, earning him a \$200 prize. That's an increase of \$100 from last year's prize level, which is another example of the rampant inflation we're all living with.

Why are Some Names Printed in Red?

Not surprisingly, achievements in red ink are **outstanding efforts** that should be known to all SIR golfers. There are three ways to join the red brigade: (1) if your "over/under" is -2.0 or better (2) if your tee shot on a Par 3 is within a putter length of the hole, or (3) if you shoot your age or better. The first two achievements are shown in the Excel results sheet for the round, but if you shoot your age let **Bruce Karney** (bkarney@comcast.net) know so he can give you the **credit you deserve**.

MOVIES

Flee. This is a mostly animated drama that is also part documentary. It is the Oscar Nominated, powerful true story of Amin Nawabi and his efforts to flee Afghanistan with his family. In the mid 1980s the Soviet army leaves Afghanistan and chaos fills the vacuum. The father is arrested and disappears. The siblings and their mother gather their assets to flee westward and are taken advantage of by crooked smugglers and officials. Some make it to Sweden others are stranded in Moscow. Amin makes it alone to Denmark as a teenager after harrowing efforts. The story is told by Amin living in Denmark, now 36 and a successful academic, on the eve of his wedding to his partner, boyfriend. Amin has hidden the truth about his past and now finally feels secure enough to share his tormenting story with his journalist friend. It is liberating for Amin and brings him even closer to his family. The story is told through flashbacks as we get to know and admire Amin and his family and what they were able to accomplish. This is a must see. Available on Hulu, Apple TV+ and Amazon Prime Video. Rated PG-13 for thematic content, disturbing images, and strong language. In many languages with English subtitles. It is a Peggy's Pick.

Death on the Nile. The 1937 Agatha Christie masterful whodunnit is beautifully brought to the Big Screen by Director Kenneth Branagh who also plays the lead role of Detective Hercule Poirot. If you are familiar with the complex plot, the movie is worth seeing just to marvel at the period costumes and Egyptian scenery. Poirot is always impeccably dressed and coiffured. Add in Gal Gadot as the new bride in shimmering gowns, the film provides loads of eye candy. Set in Egypt, Poirot must figure out who did it, times 3. Plenty of corpses and intrigue with the Pyramids and the Abu Simbel temples in the background. The characters are all on board a boat on the Nile, so the list of victims and murders is limited. Poirot unravels the twists and turns with one big denouement. The film's release was delayed due to controversy over cannibalism, rape allegations, racism, and vaccination protests. One wonders what Dame Christie would do with these new issues. Rated PG-13 for violence, some bloody images, and sexual material. In Theatres. It is a Peggy's Pick.
