Filling in the Application form is very straight forward on a PC. Just click in a field and type in your data! It is a little more complicated on a Apple iphone or iPad as you first need to download the Application Form file to your device, then edit it. Below are the step by step directions on how to do that:

1. From your Home Screen click on Safari to open your browser and go to sirgolf.org.

You should see the below

# INSTRUCTIONS!

2. Scroll down on the page until you get to the section titled “July – August Individual Qualifying” or the section titled “Individual State Championship”. Both have links to the Application Form. Click on the link and you should see the below:
