

# THINGS TO DO IN FRESNO

Fresno is not just a hot dry place between San Francisco and LA. Did you know:

Fresno is within a 1 1/2 hour drive of three National Parks. Yosemite, Kings Canyon, Sequoia, and, if you throw in an extra half hour, Pinnacles makes it four. Plus, there are four National Forests nearby. Day trips are easy.

More wine grapes are grown in Fresno County than in Napa. Within twenty miles of the tournament site are twenty-two wineries.

Some nearby attractions:

- Woodward Park and the Shinzen Japanese Gardens.
- Roeding Park and the Fresno Chafee Zoo
- Forestiere Underground Gardens
- Old Town Clovis
- Millerton, Shaver, and Bass Lakes are a half hour away.
- Oakhurst, Mariposa, Ahwanee, and many other gold rush towns are within an hour's drive.
